

1 ASSURANT WAY

PREMIER CORPORATE CAMPUS OPPORTUNITY
150,000 SF Multi-Building Complex For Sale | 1 Assurant Way, Springfield, OH

THE COMPLETE CAMPUS SOLUTION

The Assurant Way Corporate Campus represents a rare institutional-grade investment opportunity in the rapidly growing Springfield market. This exceptional three-building complex totals 150,000 square feet, with Building A, Building B, and Building C each contributing 50,000 square feet of high-quality office space. Adding significant value to this acquisition is Assurant's commitment to lease back Building B, providing immediate cash flow and tenant stability from a nationally recognized insurance leader.

This prime location fosters a dynamic business environment, ideal for corporate headquarters, regional offices, and expanding enterprises in search of a distinguished address. The campus offers significant operational efficiencies and a strong corporate identity. The surrounding area is part of a growing economic landscape with strengths in manufacturing, technology, and logistics. Businesses in Springfield may also benefit from various local and state economic incentives.

CLARK STATE COLLEGE

PRIMARY LOGISTICS GATEWAY

The Springfield area is a significant logistics and distribution hub, primarily due to its strategic geographic location. From this central point, businesses can reach over 60% of the U.S. and Canadian populations within a single day's drive. This extensive market access makes the region highly attractive for companies requiring broad and efficient distribution networks. The I-70 and I-75 corridors are pivotal to this advantage, establishing the area as a prime location for logistics operations.

This superior connectivity is further strengthened by proximity to a robust network of air freight and passenger airports.

KEY FACILITIES INCLUDE:

John Glenn Columbus International Airport (CMH)

Located approximately 52 miles to the east, CMH is the primary passenger airport for the Columbus metropolitan area and also offers cargo services.

Rickenbacker International Airport (LCK) Situated approximately 50 miles to the southeast, Rickenbacker is a major international cargo-focused hub, providing access to global networks.

Dayton International Airport (DAY)

About 26 miles to the west, this airport offers both passenger and cargo services and includes a Foreign Trade Zone (FTZ) that can provide efficiencies for import and export businesses.

Wilmington Air Park (ILN)

Roughly 25 miles to the south, this is one of the highest-volume cargo airports in the nation and a significant logistics hub for major carriers.
