Phase II // 58.3 Acres Remaining // Up to \pm 450,000 SF
Landis, North Carolina

JACKSONSHAW

ESTABLISHED 1972

OVERVIEW

Landis Ridge capitalizes on tenant demand for interstate connectivity and access to strong labor markets. It is a modern, Class A, **±1.25M square foot master planned business park** situated on 149.7 acres in the **Charlotte, North Carolina market**. Best-in-class design features are incorporated throughout the project, including concrete tilt wall construction, ample trailer and auto parking, and an exceptional Class A business park feel, all with **easy access to I-85** via the newly constructed Exit 65 (I-85 at Old Beatty Ford Road) located less than a mile east of the site. For tenants, access to the rapidly growing sunbelt markets is a major driver in their decision to establish operations along I-85. Coupled with its proximity to strong labor and rooftop growth, **Landis Ridge** offers an ideal location for third-party logistics occupiers, e-commerce distribution, consumer goods warehousing, and manufacturing users.

PHASE 1

TOTAL SF:	594,300 SF

CAR PARKING:	229

CHARLOTTE MARKET OVERVIEW

Location, infrastructure, and talent: three elements that combine to make the Charlotte region ideal for business. Strategically located on the East Coast between major ports and inland cities, the Charlotte region is within a 12 hour drive of 53 percent of the nation's population. Transportation assets include Charlotte Douglas International Airport (the 7th busiest airport in the world by arrivals and departures), three interstate highways (I-85, I-40, and I-77), an inland terminal, and two intermodal facilities.

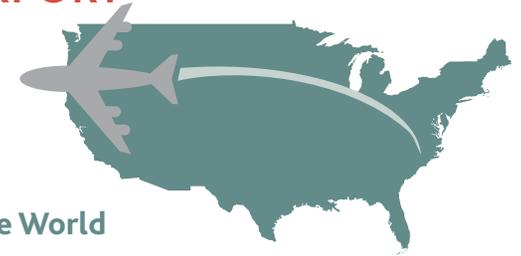

113 people move to the Charlotte region every day. They come for jobs in a healthy and growing economy with thriving health care, finance, and professional services sectors, and a tech talent pool growing twice as fast as the national average. People come to start and grow businesses in a region with an educated, talented and innovative workforce, regularly ranked in the top three places to start a business. They also come for a lower cost of living and affordable real estate in neighborhoods fit for any lifestyle - from vibrant urban centers to suburban cul-de-sac to quaint small towns and rural areas.

MAJOR EMPLOYERS

The Charlotte region is one of the most connected regions in the country due to its convenient location at the center of the East Coast. Three major interstates cross through the region (I-85, I-40, and I-77). Extensive rail service by Norfolk Southern and CSX, two the top five railroads in the country, join the region to the railroads' expansive network of over 40,000 route miles, and there are three major ports within 250 miles. The local Charlotte Inland Terminal as well as intermodal facilities from Norfolk Southern and CSX ensure businesses are always able to move their freight efficiently between rail and truck.

ACCESS TO I-85

AMENITIES
