Genesis Science Center stands as a beacon of innovation within San Diego's biotech landscape. With five buildings spanning $\pm 330,000$ square feet, the campus offers top-tier lab spec suites with modern finishes, setting a new standard of excellence. Strategically located in the Sorrento Mesa biotech cluster, it provides easy access to Interstate 805 and a plethora of nearby amenities within walking distance.

The campus features a centralized amenity courtyard, enhancing the outdoor experience for its occupants. Furthermore, Genesis Science Center boasts a range of facilities, including a fitness center, conference center, and shared glasswash & autoclave facilities, catering to diverse needs. Beyond its physical attributes, the center serves as a dynamic hub where collaboration thrives and new innovations are fostered.
