Property highlights

Located in the primary growth area of one of the fastest growing cities in Canada, the site is near to the new 1,800 student high school, SW recreation centre that will draw an estimated 1 million annual visits, and new residential development with an average annual household income of \$177,000 by 2030.

1,000 - 28,000 sq. ft. spaces available, with drive through opportunities and patios available. Located along a regional pathway and green space that provides connection to adjacent residential neighborhoods.

Strategic placement within walking distance of major community amenities including new schools and new recreation facilities, creating a true neighbourhood commercial hub that serves daily needs and lifestyle requirements.

Site plan designed to cater to residents needs and to enhance the customer experience. The centre provides efficient and functional layouts for tenants with excellent visibility and traffic flow.
