

ONE FOUR FIVE
WELLINGTON
STREET WEST

THE SMARTER WORKPLACE

Located in Toronto's Financial District, 145 Wellington Street West offers professional office space that combines downtown prestige with compelling value proposition. This established office building delivers the essentials businesses expect from a premier downtown location: efficient floorplates, on-site conveniences and excellent transit access with an eight-minute walk to Union Station.

The building's immediate proximity to leading business institutions coupled with first-class area amenities creates a workplace environment that supports business credibility, productivity and employee engagement, making 145 Wellington St West an ideal choice for companies seeking a downtown address without compromising on operational value.
