INVESTMENT SUMMARY

Jones Lang LaSalle (JLL) has been exclusively retained by the City of Fort Worth to offer qualified investors an opportunity to acquire the Fort Worth Downtown Campus (“the Property”) - a two building package on ±26,650 AC in Downtown Fort Worth, Texas. This property package is well located in the Central Business District (CBD) of the 12th largest city in the United States as of 2024. The portfolio has served as an administrative hub for the City of Fort Worth and has housed many of the city’s most important municipal functions.

With the property and land now available, this offering provides today’s investors and developers the chance to work with the City of Fort Worth to acquire high demand land and buildings for a variety of uses.

ABOUT THE LOCATION

Fort Worth is home to some of the country's most treasured cultural icons, a business-friendly environment, and an unmatched quality of life. Ranked by the U.S. Census Bureau as America's 10th largest city in 2026, Fort Worth's population has grown 68% since 2000 and contains a density of 2,646 residents per square mile.

The city features a variety of districts to fit any visitor's desires, from the museums of the Cultural District to the nightlife of the burgeoning Near Southside.

Over the past few years, as the city has grown, the Fort Worth CBD has experienced broad revitalization as individuals and families embrace an urban lifestyle utilizing the vibrant mixed-use environment of Downtown Fort Worth. This opportunity is situated in the heart of the CBD and is within a few blocks of some of Fort Worth's popular destinations including the Convention Center, Sundance Square, and Bass Performance Hall. The remaining diverse and desirable districts that call Fort Worth home are all within a short drive.
