THE LITTLE MIAMI SCENIC TRAIL

Winding 111 miles through southwestern Ohio as both a state and national scenic river, carving its way through dramatic gorges and forested bluffs that reveal the region's ancient geological beauty. This cherished waterway draws outdoor enthusiasts year-round with world-class recreational opportunities—over 80 fish species thrive in its waters, including prized smallmouth bass, rock bass, and channel catfish that make every cast an adventure. The river's gentle, meandering current creates ideal Class I paddling conditions perfect for peaceful kayaking excursions or leisurely canoe trips suitable for all skill levels. Natural wonders abound along its course, from the breathtaking rock formations at Clifton Gorge State Nature Preserve to the expansive Little Miami State Park, where miles of paved multi-use trails invite hiking, biking, and wildlife discovery. Whether you seek the thrill of reeling in your next catch or simply crave a quiet afternoon drifting beneath the canopy, the Little Miami River offers an accessible escape into nature's rhythm.

MIAMISVILLE TRAILYARD

Where the Little Miami Scenic Trail meets exceptional food and genuine hospitality. This beloved trailside destination welcomes cyclists, hikers, and trail watchers alike with expansive dog-friendly outdoor seating, a diverse menu featuring gourmet burgers, fresh salads, creative appetizers, and vegetarian options, and a relaxed atmosphere that invites you to linger. Open daily for lunch and dinner, it's equally perfect for a quick refuel or an unhurried meal with colleagues and friends. Thoughtful touches elevate the experience—wide sidewalks safely accommodate bikes and pedestrians, a second-floor event loft offers stunning trail views for gatherings, and a hand-painted vintage mural honors Miamisville's local heritage. Whether you're finishing a long ride or simply watching the world roll by, Trilyard delivers the kind of easygoing comfort that turns a trail stop into a destination.
