PROPERTY SUMMARY

Located in the heart of downtown Napa, 1778 2nd Street is a meticulously renovated Victorian building situated on a highly visible corner at Second and Jefferson Streets. Originally constructed in 1885, the property has been extensively updated within the last 10 years by its current owner-occupant, Golden State Lumber Company, blending enduring historic charm with modern functionality.

The 3,390 SF building boasts highly efficient layouts on both floors, multiple entrances, and is elevator-served. The first floor features 6 private offices, kitchen, IT/printer/storage rooms and two ADA-compliant restrooms. The ground floor features a conference room, secondary kitchen, ADA-compliant restroom, and 5 additional private offices. The ground floor can be accessed separately via building rear and offers new ownership an excellent opportunity to lease out the space(s) to secure supplemental income as they grow into the property. Two existing ground floor tenants are on month-to-month; Golden State Lumber will vacate at close of escrow.

The property's prime location in Napa's thriving downtown market ensures excellent visibility and accessibility, with abundant restaurants, shops and services just steps away. The building's historic character adds charm and major curbside appeal, while the extensive renovations offer long-term functionality and stability.
