

82 PETER STREET

WELCOME TO KING WEST VILLAGE

King West has evolved dramatically over the last two decades. The vibrancy and attractiveness of the area has brought an influx of residential living, restaurants, retailers and office workers.

Today, there are more reasons to love not just the street, but the whole neighbourhood—not just King West, but King West Village.

King West Village provides residents, workers and visitors with the best Toronto has to offer; an intimate yet worldly village-like atmosphere to live, work, gather and enjoy.
