FOR LEASE

Retail Opportunity at

4630 Kingston Road, Scarborough, Ontario

~ 5,738 sf of divisible ground floor retail space

Property Overview

JLL is pleased to present phase 1 of a unique ground floor retail leasing opportunity, in a new residential rental development known as The Everston at 4360 Kingston Road in Scarborough, ON.

The Property is strategically positioned at the vibrant northwest corner of the signalized Kingston Road and Manse Road intersection in east Toronto, with possession available late Q1 2027. The 13-storey development enriches the corner with approximately 300 new residential units in Phase 1 of the development, while preserving vital main-street activation through brand-new, modern at-grade retail space of approximately 5,738 sf of divisible ground floor retail in one of east Scarborough's most dynamic shopping districts. The space features impressive ceiling heights ranging from approximately 14' feet clearance with prime Kingston Road frontage, drawing the attention of the area's consistent flow of shoppers, young professionals, and off-campus students residing near the University of Toronto Scarborough (UTSC) campus.

West Hill community overview

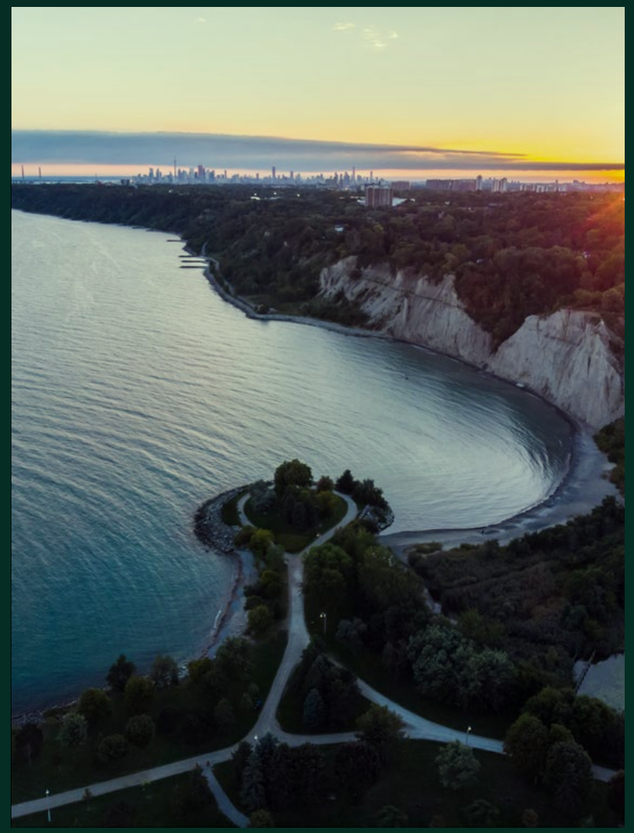

Positioned at the high-visibility crossroads of Kingston Road and Manse Road, The Everston offers ground floor retail units ideally suited to businesses looking to capture a steady stream of local traffic. The surrounding residential density, supported by nearby schools including the Rouge Valley Education Center and Higher Marks Educational Institute, provides a built-in customer base of families and students. Proximity to Rouge Valley Health System Hospital and the Scarborough Health Network facilities adds consistent daytime foot traffic from staff, patients, and visitors. With convenient transit access via Guildwood GO Station and Rouge Hill GO Station, commuters passing through daily represent an additional pool of potential customers. The Everston is positioned to be a strong address for retailers looking to tap into this connected, high-traffic corridor.
