

Visitor Safety Guidelines

Although the government has removed restrictions, the safety and security of our staff and visitors are our priority. Please read the following guidelines, before visiting our office.

- Free travel consultation is available for 30 minutes per visitor booking. Make sure to **book in advance for the consultation service**.
- Please do not visit if you feel unwell or have COVID-19 symptoms in the last 5 days.
- Please use the hand sanitiser provided on entry and exit.
- Although a face covering is no longer required by the UK government, we encourage doing so for the protection of yourself and others.
- We provide a range of free maps and brochures of different regions and attractions at your request. Please feel free to browse and take the copies away.
- Some of the brochures are available online. We invite you to explore additional information on [our website](#).
