🌸 Businesses

Three business, growing as one

By thoroughly focusing on customer satisfaction, we at Vision Inc. are proactively working to be able to accurately identify the needs of customers, markets and generations, expand our business and differentiate ourselves from those around us, and establish an overwhelming position in the industry.

GLOBAL WiFi

A rental service for WiFi routers that can be used in more than 200 countries and regions around the world on a fixed packet rate basis.

We provide a WiFi router rental service for use domestically in Japan to foreign visitors, Japanese people coming home temporarily, those on business trips, and other such people.

INFORMATION AND COMMUNICATIONS

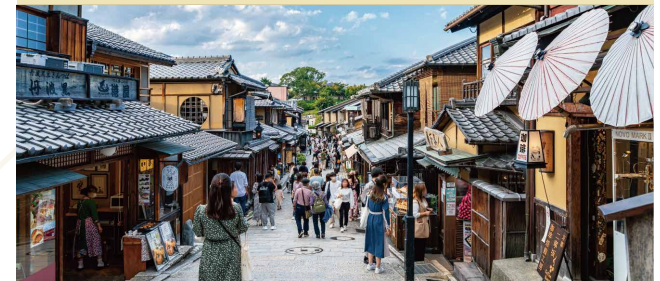

These services provide the communication infrastructure and office devices required for corporate activities, such as fixed communication services, mobile communication services, OA devices, business phones, and website creation. We can meet the needs of our customer's growth stage.

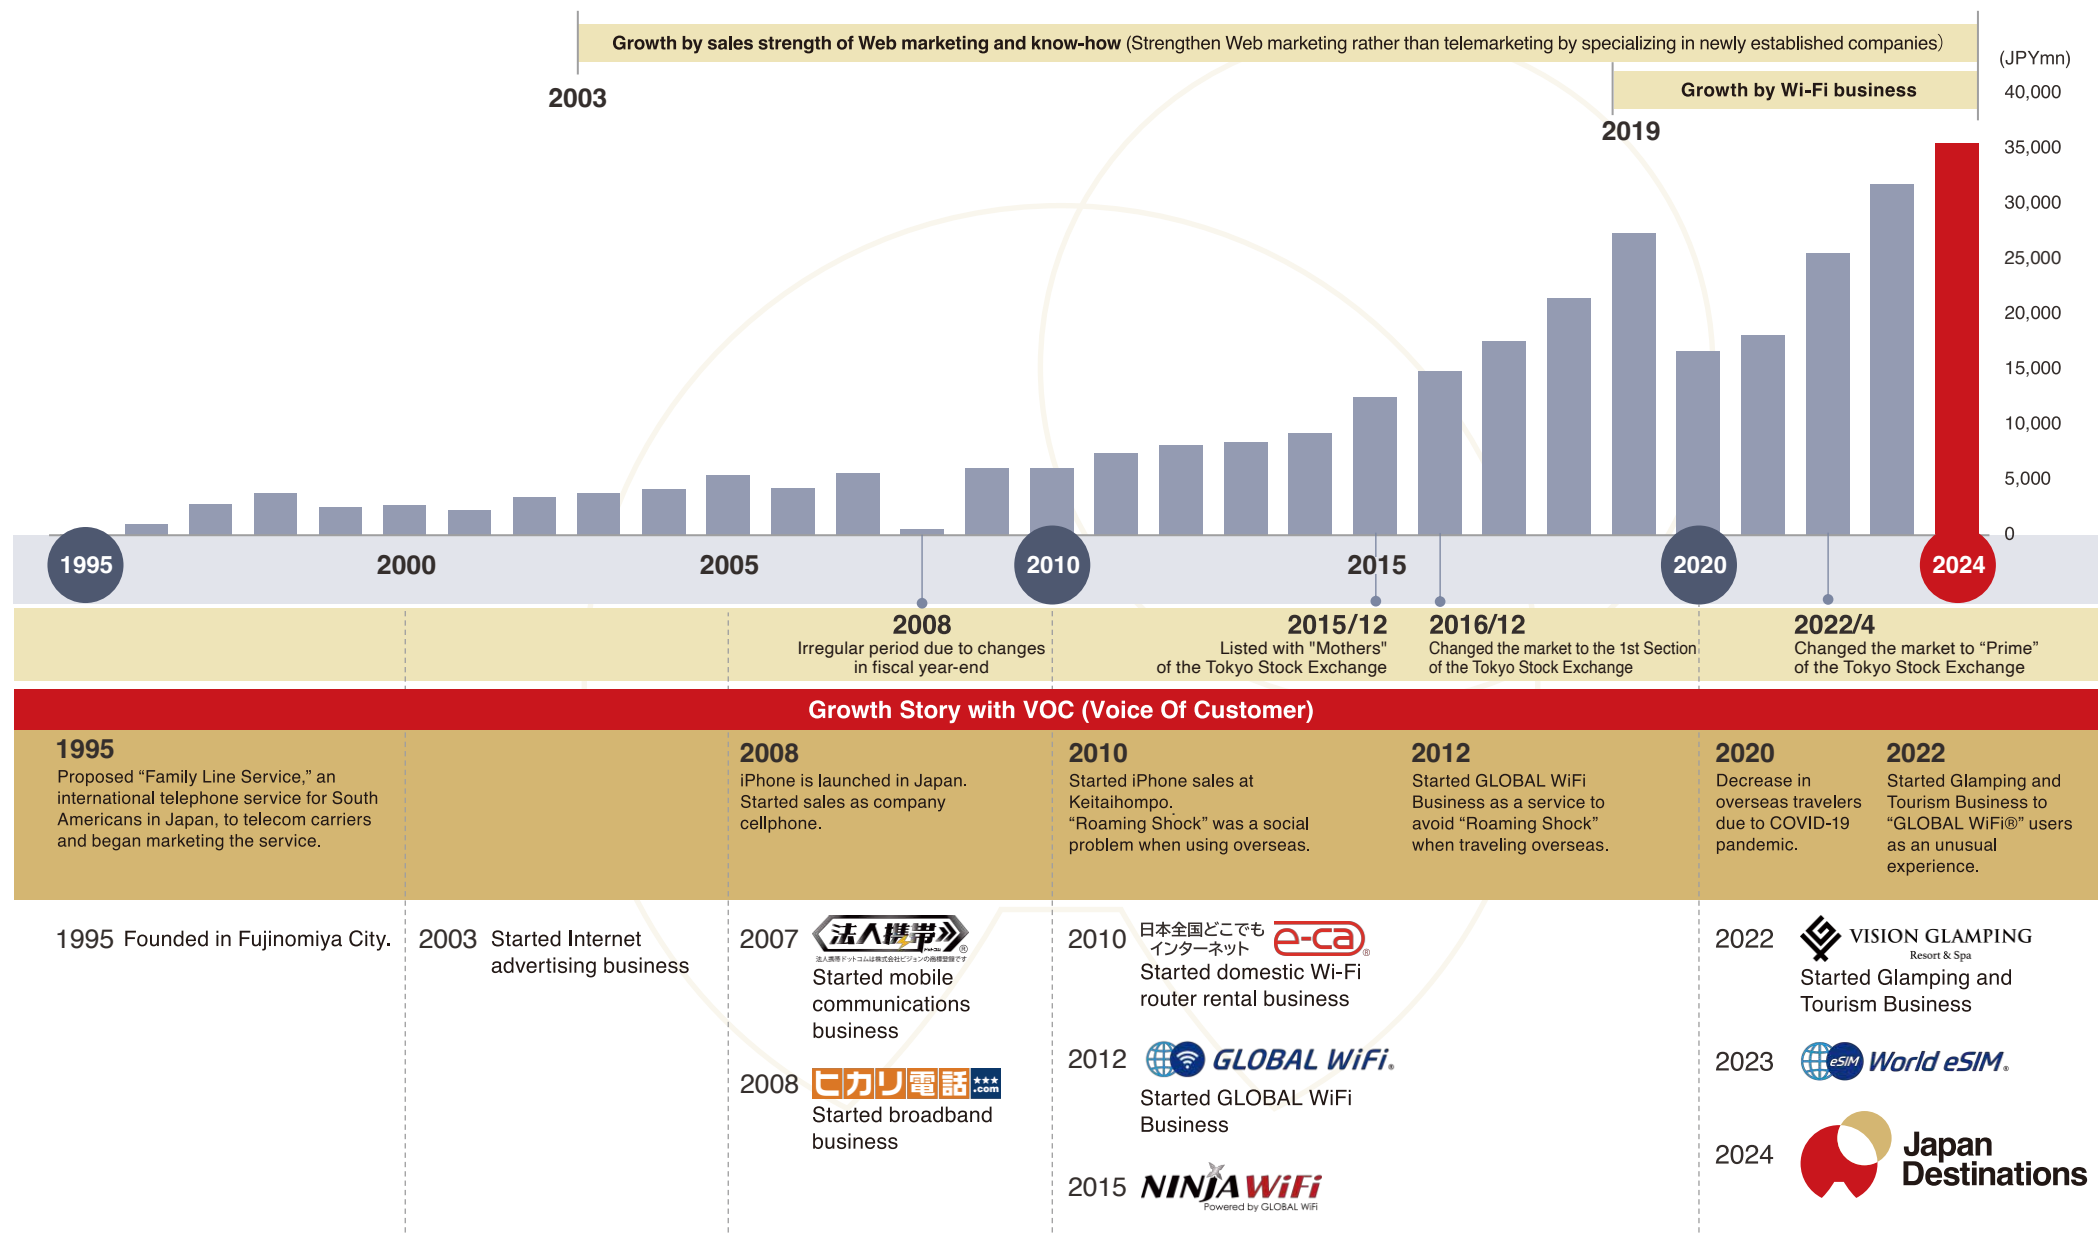

GLAMPING AND TOURISM

We provide travel information and transportation to make overseas travel smarter, according to various situations regardless of corporations and individuals.

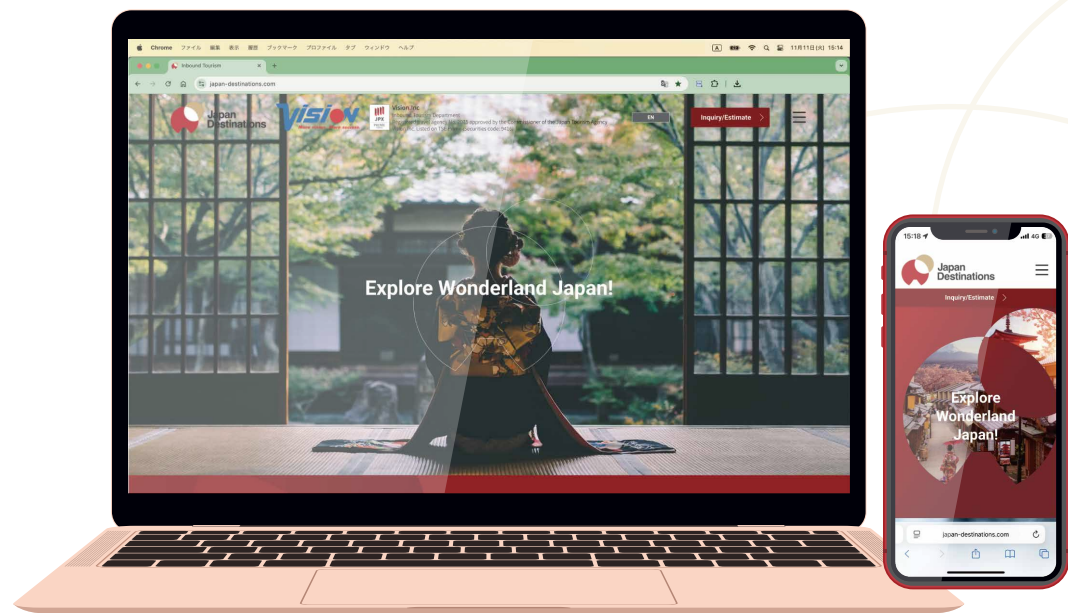

We can offer comprehensive support from marketing to promotion for attracting foreign tourists to Japan.

History and Sales Change

🌸 What's “Japan Destinations”

<https://japan-destinations.com/>

With our extensive network in Japan and abroad, we launched a new DMC business in 2024.

Our goal is to introduce you to unique and lesser-known tours and experience across Japan, one of the world's most sought-after travel destinations

Brand Statement

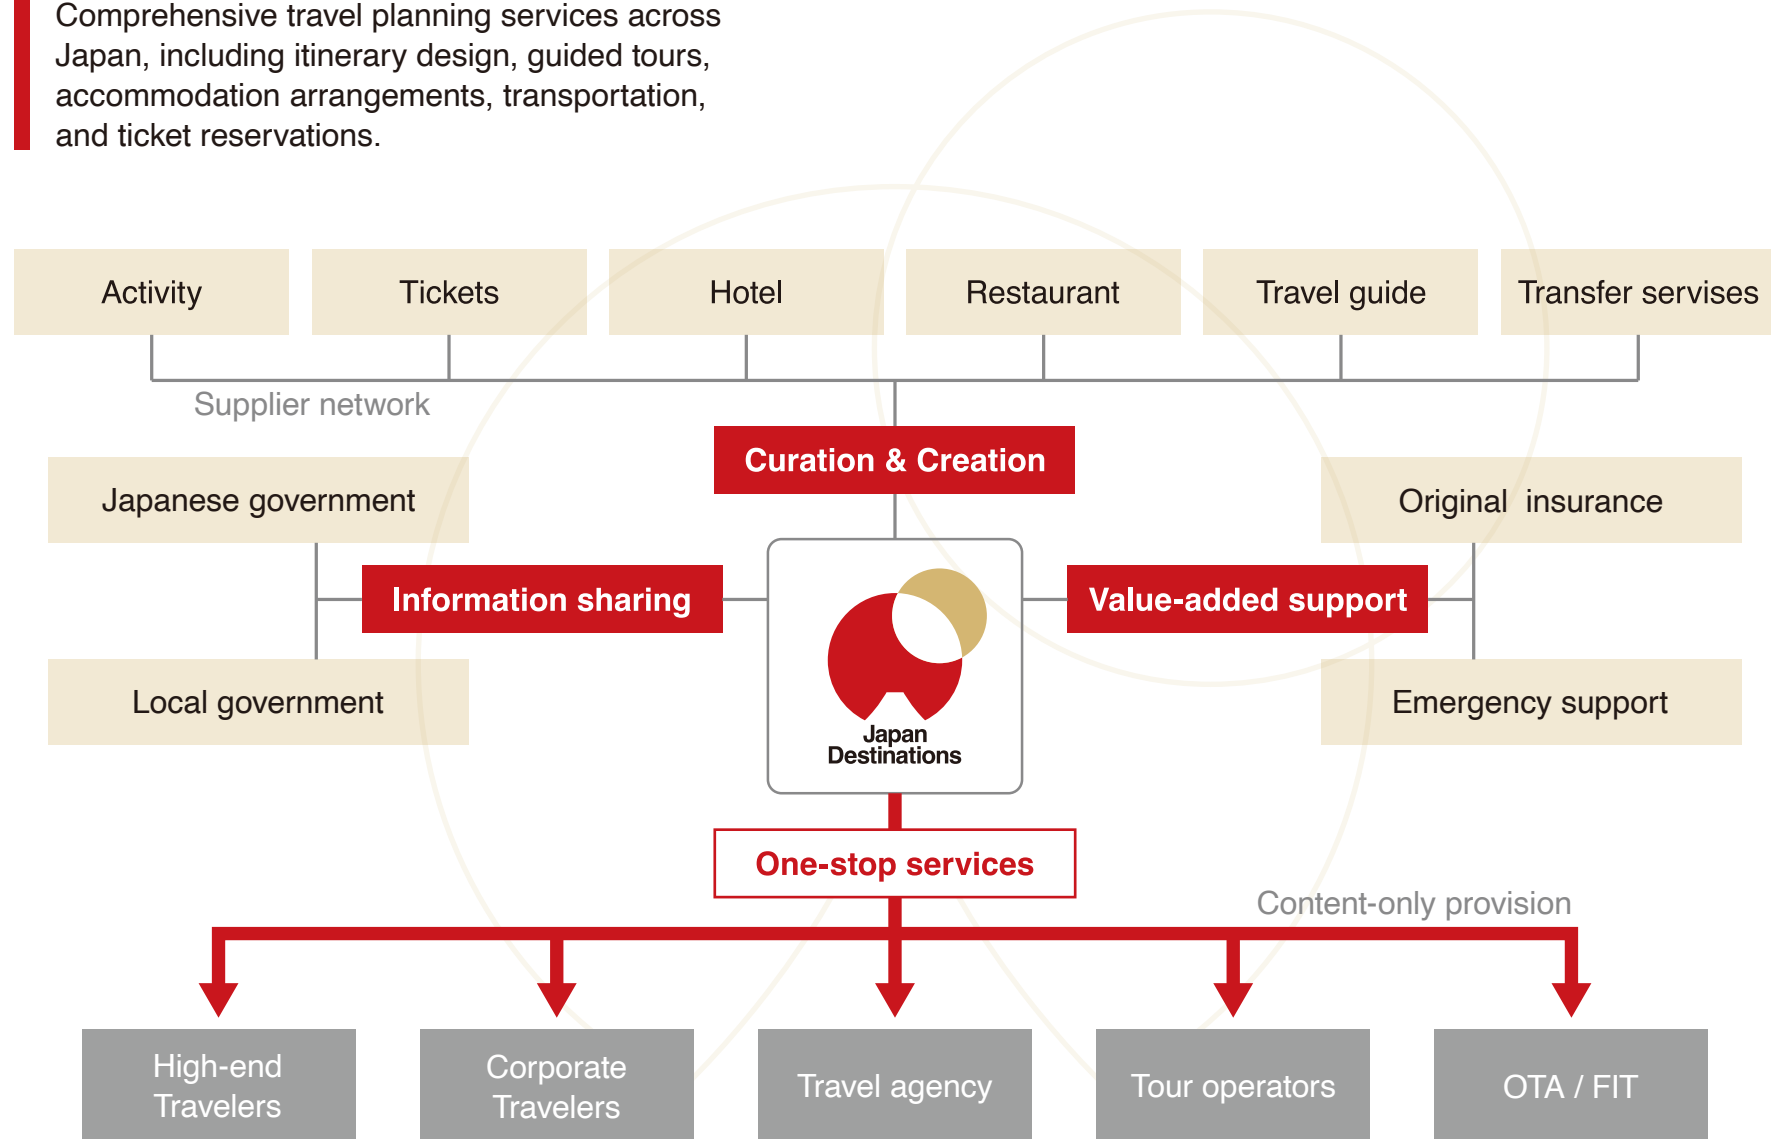

Explore Wonderland Japan!

Japan is a country full of countless charms. While Japan has technology, culture, and climate built up in each era of its long history, it is also a mecca for pop culture that fascinates the world, such as anime and video games. Thanks to its miraculous climate, Japan offers not only cherry blossoms and autumn leaves, but also everything from beach resorts to snow resorts, providing completely different experiences depending on the season. Japan is home to hot springs, a blessing of the earth, and a treasure trove of food made from rich ingredients from the sea and mountains. Japan is home to unique international cities such as Tokyo, Osaka, and Kyoto. Japan is dotted with many World Heritage sites. There are many attractions in this small island nation that you may not yet know about, or that even Japanese people do not know about. Japan Destinations is a curator and concierge of inspiring travel experiences for all visitors to Japan.

Service Model

Comprehensive travel planning services across Japan, including itinerary design, guided tours, accommodation arrangements, transportation, and ticket reservations.

🌸 Our Strengths

Tailor-Made Travel Planning

We design customized itineraries that reflect each traveler's interests and needs, providing seamless coordination from planning to on-site support for a smooth, personalized journey.

Local Expertise & Reliable Network

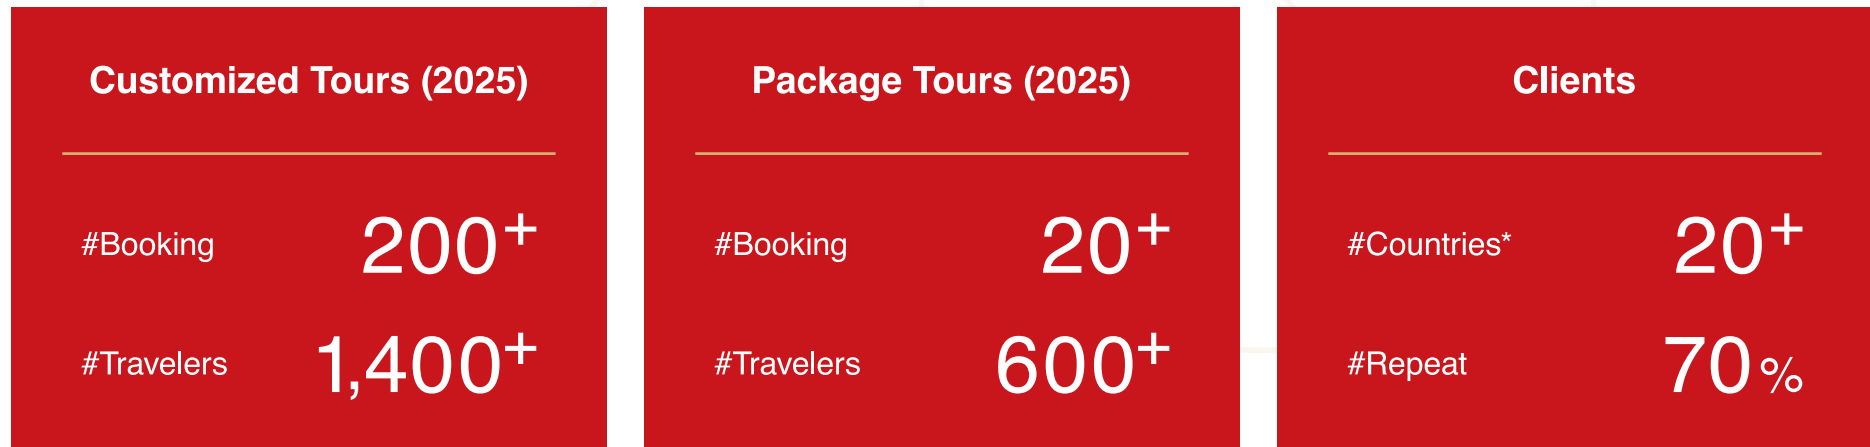

With deep knowledge of Japan and trusted local partners, we create authentic experiences that reveal the country's culture, hidden gems, and true character beyond standard sightseeing.

Comprehensive & Seamless Support

Our multilingual team and experienced guides ensure reliable, end-to-end service, delivering smooth communication, flexible coordination, and professional support throughout every stage of travel.

🌸 Operation & Logistics

We provide reliable vehicle arrangements and multilingual guide support to ensure smooth and comfortable travel operations for clients of all sizes.

Vehicle Fleet

We offer a full range of vehicle options to accommodate groups of all sizes, from individual travelers to large corporate or incentive groups. In partnership with fully licensed transportation and taxi companies, we provide safe, reliable, and comfortable transportation nationwide. All vehicles are operated by professional, certified drivers to ensure the highest level of service.

Guide Network

Our guide network spans multiple languages, enabling us to assign the right guide for each group's needs. Rather than relying on a single multilingual guide, we work with a broad network of experienced professionals—each specializing in their respective language and region. This approach allows us to deliver culturally rich, accurate, and engaging tours for guests from around the world.
