South of Tokyo, Welcome to Kanagawa

<https://www.facebook.com/kanagawa.tourism.info.english/>

WELCOME TO KA

Kanagawa Prefecture is home to a great many of Japan's foremost sightseeing spots, in the areas of nature, history, culture, and industry, etc. Since it is also close to Tokyo and boasts highly convenient transportation, it draws large numbers of tourists annually. This pamphlet offers information on some of the Prefecture's most scenic spots, as well as on attractions by theme.

A castle town during the Edo Period, the area prospered as one of the primary post stations along the Tokaido Road.

Odawara and Oyama → Page 14

Kamaboko (fish cake) is a traditional Odawara specialty.

Hakone → Page 16

This is one of Japan's foremost international resort areas complete with hot springs (Onsen).

Yosegi-zaiku is a traditional craft of Hakone utilizing different shades of natural wood to create complex patterns.

photo : Yokohama Port Area & Mt. Fuji

Yugawara → Page 18

Visitors can enjoy hot spring baths as well as the Japanese style Rotenburo baths.

Known since long ago for its hot springs (Onsen), the area was frequented by many literary personalities and artists of the past.

NAGAWA

Yokohama and Kawasaki → Page 4

Yokohama is an international port city that continues to grow and develop to this day, ever since the Port of Yokohama opened 150 years ago.

Yokohama Sankeien Garden is a prime example of Japan's traditional culture and a great way to experience the glorious colors of the four seasons.

Yabusame (horseback archery) is a traditional military art the participants shoot arrows from atop running horses.

Kamakura → Page 8

The ancient city of Kamakura was the seat of the Kamakura Shogunate about 800 years ago.

This popular beach spot is the perfect place to enjoy the area's seaside views, particularly Enoshima.

Fujisawa and Oiso → Page 10

The Shonan Beach is the ideal spot for a variety of marine sports.

Miura → Page 12

Miura is known for good fishing, especially for tuna, and for farming commodities including the daikon radish.

Enjoy fresh fish caught at Misaki Port in a variety of different kinds of dishes.

Recommended Areas in Yokohama

<http://www.yokohamajapan.com/>

About 150 years ago, Yokohama was one of the first ports in Japan to open its doors to foreign trade, which led toward an age of enlightenment. The city still has kept up its constant growth. In this harbor town with a rich international flavor, you can enjoy unique sightseeing spots.

1 Yokohama Landmark Tower

This is Japan's second tallest building at 296m. It has a hotel and restaurants on the 1st to 70th floors, and its Sky Garden observatory floor on the 69th floor (273m high). Shopping and restaurants are conveniently located in the adjoining Landmark Plaza shopping mall.

☎045-222-5030 (Sky Garden),

☎045-222-5015 (Landmark Plaza)

● 3 minutes walk from Minatomirai-Line (Minatomirai Sta.)/Business hours differ by shop/

<http://www.yokohama-landmark.jp/skygarden/>

3 Yokohama Chinatown

With over 500 shops, this is one of the world's best Chinatowns. The current symbol of Yokohama Chinatown is "We Are Chinatown." The area boasts 150 years of history.

☎045-662-1252

(Yokohama Chinatown Development Association)

● 1 minute walk from Minatomirai-Line (Motomachi-Chukagai Sta., Exit 3)/ Business hours & holidays differ by shop / <http://www.chinatown.or.jp/>

2 Yamashita Park

Japan's oldest seaside park, this popular spot offers a beautiful view of the port.(Nippon Yusen Hikawa Maru: Charlie Chaplin was one of the famous passengers on the Hikawa Maru passenger ship now anchored in Yamashita Park) ☎045-641-4362 (Nippon Yusen Hikawa Maru)

● 3 minutes walk from Minatomirai-Line (Motomachi-Chukagai Sta., Exit 1)/ [Hikawa Maru: Open 10:00-17:00 (Entry until 16:30)/Closed Mondays and other occasions (Open Monday if it is a holiday, and closes the next weekday instead)] / <http://www.nyk.com/rekishi/e/exhibitions/hikawa.htm>

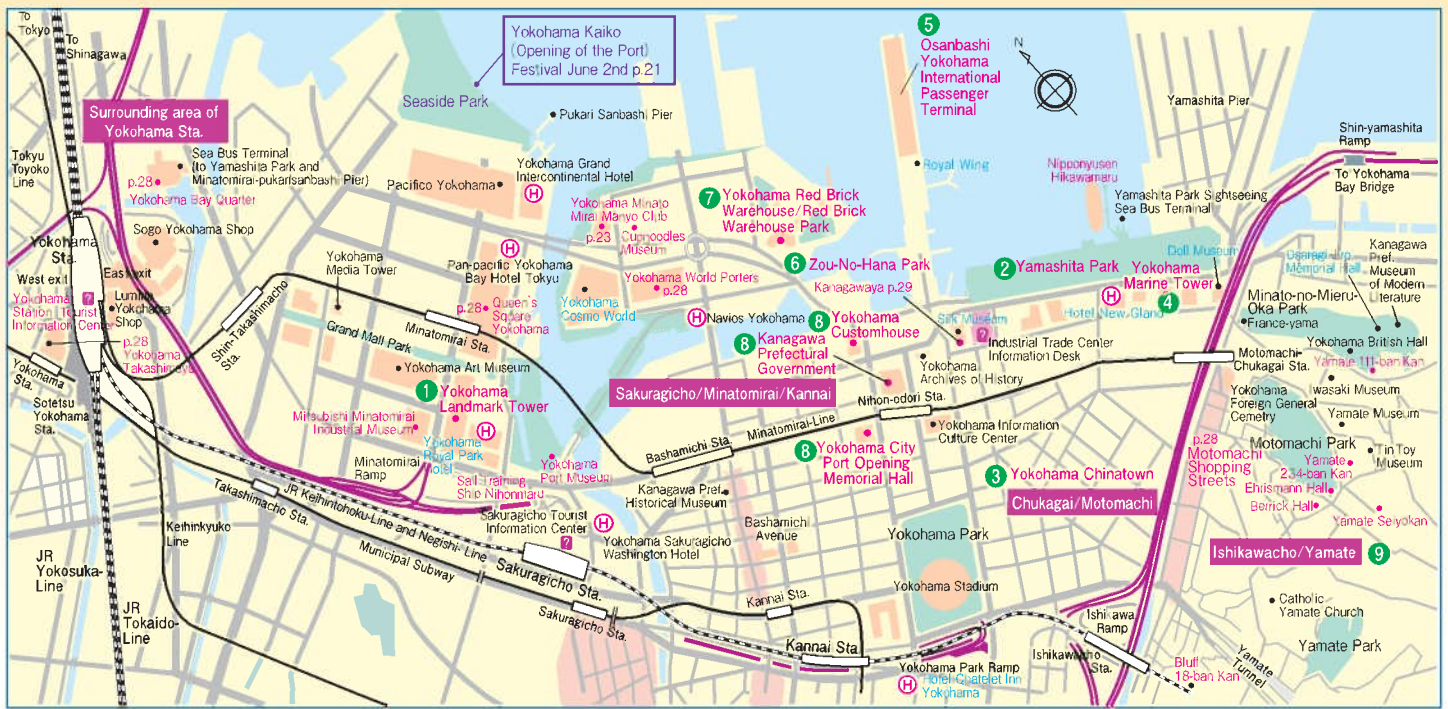

4 Yokohama Marine Tower

Built to commemorate the 100th anniversary of the opening of the Port of Yokohama, the Tower was renovated in 2009 to mark its 150th year. It also has an Observatory Hall to view the city, restaurants and event halls. It is popular among tourists and local residents as a place to relax.

☎045-664-1100

● 1 minute walk from Minatomirai-Line (Motomachi-Chukagai Sta., Exit 4)/ Business hours differ by floor and shop./ <http://marinetower.jp/eng.html>

5 Osanbashi Yokohama International Passenger Terminal

This is the entrance for Yokohama Port which greets international travelers. This docking terminal for large cruise ships has a variety of entertainment, including a 2,000 square meter hall and 24 hour rooftop plaza.

☎045-211-2304 (Terminal information)

● 7 minutes walk from Minatomirai-Line (Nihon-odori Sta., Exit 3)/Business hours differ by floor and shop/
<http://www.osanbashi.com/en/index.html>

6 Zou-No-Hana Park

This harbor park was redeveloped to commemorate 150 years since Yokohama Port opened. It has an open park area to view the port and sea, and the adjoining Zou-No-Hana Terrace cafe area to relax.

☎045-661-0602 (Zou-No-Hana Terrace)

● 5 minutes walk from Minatomirai-Line (Nihon-odori Sta., Exit 1)/
<http://www.zounohana.com/en/html>

7 Yokohama Red Brick Warehouse/Red Brick Warehouse Park

This historical red brick warehouse was renovated to combine modern history with a commercial facility. Red Brick Warehouse Park is a relaxing place to view the sea with a wide open design.

☎045-211-1515 (Building 1) / ☎045-227-2002 (Building 2)

● 6 minutes walk from Minatomirai-Line (Bashamichi Sta., Nihon-odori Sta.)/Business hours differ by building, floor and shop/
<http://www.yokohama-akarenga.jp/en/>

8 Yokohama 3 Towers

These are the Yokohama Port Opening Memorial Hall made from red bricks, the Islamic Mosque style blue dome of Yokohama Customs, and the dignified design of Kanagawa Prefectural Government Offices. These buildings have been symbols of Yokohama for many years, popularly called the Jack, Queen and King.

● Each tower is a 1 to 3 minutes walk from Minatomirai-Line (Nihon-odori Sta.)

The Yokohama Port Opening Memorial Hall "the Jack"

Diplomat's House

9 Western-style Buildings in Yamate (Yamate District)

Yamate District played an important role in Yokohama's history as a residential area for foreigners from the time Yokohama Port opened. We suggest that you take a stroll to enjoy its atmosphere, and tour the Seiyokan Building now open to the public.

● <http://www.yamate-seiyokan.org/>

The Yokohama Customhouse "the Queen"

The Kanagawa Prefectural Government "the King"

☎0460-83-6473

● Open all year. 9:10-16:50/From JR(Odawara Sta.), take Izu Hakone Bus to Hakone-en About 80 minutes on normal days/

<http://www.princehotels.co.jp/amuse/hakone-en/watch/ropeway.html>

⑥ Hakone Yosegi-zaiku (Wood works)

Artisans began making this

wood works in geometric patterns bringing out the natural colors of wood at Hatajuku of Hakone Mountain in the Late Edo period. Tourists can also easily experience making wood works like coasters.

Hatajuku Wooden Handicraft Center

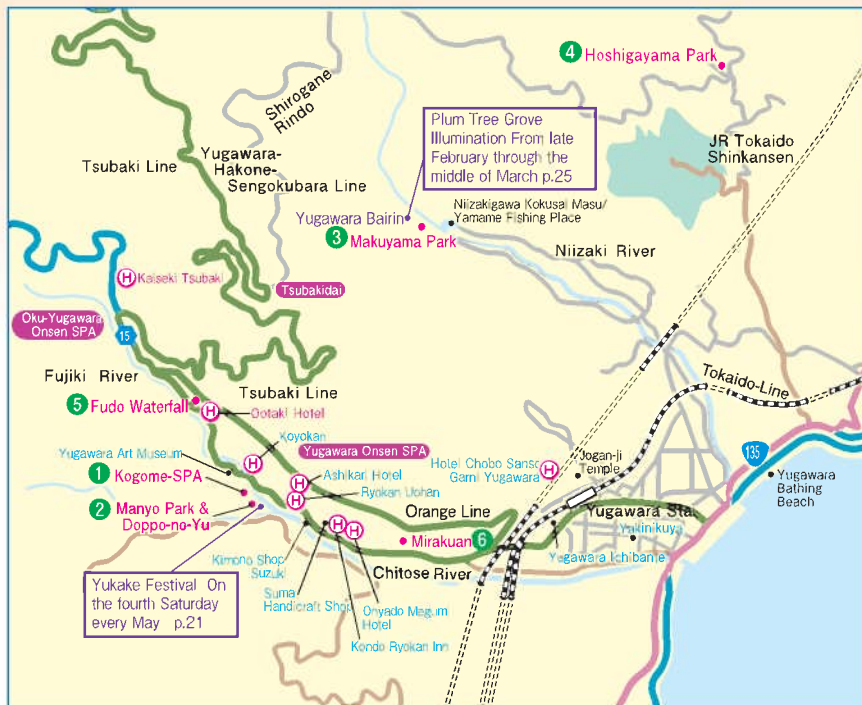

☎0460-85-8170 → See page 29.

● Hakone Tozan Bus to Hatajuku bus stop / Open 9:00-16:30 / Closed December 28-January 3

Recommended Areas in Yugawara

<http://yugawara-resort.com>

1 Kogome-SPA

Day trip hot spring. It is famous for its legend that women who bathe in this hot spring are blessed with children. ☎0465-63-6944

● From JR (Yugawara Sta.), take bus to Koen Iriguchi bus stop/Open 9:00-21:00/Closed Mondays/Adult ¥1,000, School child ¥500/
<http://www.yugawara.or.jp/dayplan/>

2 Manyo Park & Doppo-no-Yu(SPA)

This park's nature was described in Japan's oldest poetry collection-Manyoshu. Doppo-no-Yu is Japan's largest foot bathing spa facility. Enjoy them with family and friends. ☎0465-64-2326

● From JR (Yugawara Sta.), take bus to Koen Iriguchi bus stop/Open 10:00-18:00 (differs by season)/Closed last Thursday of each month/Adult ¥300, Primary school & junior high students ¥200

The hot springs (Onsen) in Yugawara have been a people's favorite since the old days. Especially its beautiful scenery has attracted many literary figures.

③ Makuyama Park (Ume no Utage-Festival)

4,000 plum trees bloom white and red in February-March. Enjoy its view lit up at night during the Plum Banquet event. There is a hiking course in its surroundings.

● From JR (Yugawara Sta.), take the Kajiya bus to its last stop, then walk 20 minutes

④ Hoshigayama Park

With splendid views of the deep blue Sagami Bay, from end of May to June you can look over fields of blooming Azaleas.

● From JR (Yugawara Sta.), take bus to the Hoshigayama Koen Satsuki-no-sato bus stop

⑤ Fudo Waterfall

15m waterfall. Its scenery is especially beautiful during its new greenery in May and red leaves in November.

● From JR (Yugawara Sta.), take bus to Fudotaki bus stop

Let's Try 

⑥ Wagashi (Japanese traditional confection) making program of Mirakuan

Make your own original Japanese sweets in about 1 hour with the help

of Japanese sweets chefs (Also see the adjoining Japanese sweets factory and 2nd floor mini gallery at no cost).

☎0465-62-5577

● From JR (Yugawara Sta.), take bus to Miyakami-kaikan bus stop/Morning 10:30-11:30, Afternoon 14:00-15:00. About 1 hour/¥1,300 (+tax, includes tea). Reservations required for groups of 5-30 people. Visitor sweets making every day except Tuesday/

A view of the Newly Opened Port of Yokohama
(Ukiyoe Print)

8th-12th centuries: Nara and Heian Periods

Japan

- A central government authority was established along with the introduction of the Chinese legal code. The capital cities of Heijo-kyo and Heian-kyo were established in Nara (710) and Kyoto (794) respectively. These cities subsequently prospered into great cultural centers.

● The Origin of the Name "Kanagawa"

The name "Kanagawa" at first referred only to the name of a district in the current Yokohama City, which from ancient times had been a hub for both land and sea transport. When the port of Yokohama was opened to the West in 1859, the local magistrate's office was named the "Kanagawa Magistrate's Office". The broader area thus became known as "Kanagawa Prefecture" when the Prefecture system was introduced during the Meiji Period.

Kanagawa

p.11 Map

① Enoshima Tenno Festival

This festival is held **in mid-July** at the Yasaka Shrine and the Koyurugi Shrine. Festival participants carry the mikoshi (portable shrine) to the seaside, accompanying their movements with energetic shouts as they go. ☎0466-24-4141 (Fujisawa City Tourist Association)

- Walk from Odakyu-Enoshima-Line (Katase-Enoshima Sta.)

12th-15th centuries: Kamakura and Muromachi Periods

- The first Shogunate (at Kamakura) was established by Minamoto Yoritomo.
- After the fall of the Kamakura Shogunate, Ashikaga Takauji established the Muromachi Shogunate in Kyoto.

- The Kamakura region prospered under Minamoto Yoritomo as the seat of the Shogunate.
- Zen Buddhism was introduced to Japan, and a variety of new Buddhist sects, collectively known as "New Kamakura Buddhism", arose in the area.

Yabusame
(horseback archery)

p.9 Map

Shizuka-no-mai dance

② Kamakura Festival (Yabusame, Shizuka-no-mai dance)

Held around **the middle of April**, the festival is a regular part of the spring calendar in Kamakura. It begins with a grand parade along Wakamiya Oji road, followed by Yabusame (horseback archery) in commemoration of the Kamakura samurai, Shizuka-no-mai dance, and more. ☎0467-23-3050 (Kamakura City Tourist Association)

16th century: Sengoku and Azuchi-Momoyama Periods

- Warring lords arose in different areas of Japan.
- The country was unified under Oda Nobunaga and Toyotomi Hideyoshi.

- Hojo family expanded its influence over Kanto area through its base in Odawara.

p.15 Map

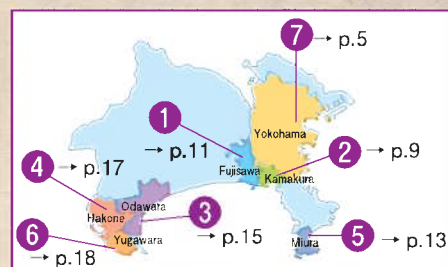

③ Odawara Hojo Godai Festival

This is the Odawara area's biggest tourist-oriented event **at the beginning of May**. A total of some 1,800 participants, including people dressed like samurai, musical groups, and townspeople create strikingly grand scenes as they walk through the city. ☎0465-22-5002 (Odawara City Tourist Association)

- 10 minutes walk from JR (Odawara Sta.)

The Kanagawa region has played an important role throughout Japanese history, sometimes as the seat of samurai rule, and other times as the birthplace of myriad forms of culture and civilization. Because of this background, the different areas of the Prefecture stage many special events portraying local history and culture.

Hakone: Lakeview from the Pass [Utagawa Hiroshige "The fifty-three Stages of the Eastern Seaboard Highway (Tokaido)" Ukiyoe-Print]

17th century-mid 19th century: Edo Period

- Tokugawa Ieyasu established the Edo Shogunate (in present-day Tokyo).
- The country enjoyed an extended period of peace, and many aspects of Japan's unique culture continue to develop. (ex. Ukiyoe-Print)
- A fleet of U.S. ships led by Commodore Perry arrives at Uraga.
- Five Japanese ports were opened under commercial treaties between Japan and the U.S. and Europe.

Mid 19th century onward: Meiji Period to the present

- Meiji Restoration.
- World War II ends.
- The Tokyo Olympics were held.
- Japan embarked on a period of supergrowth.

- The Eastern Seaboard Highway (Tokaido) and other roads were built to link the country's outlying regions with Edo. To monitor travelers, check points were established at important points along the roads. One of these check points was in Hakone.
- Hakone Check Point → See page 17- 4.

4 Hakone Daimyo Procession (Hakone Daimyo Gyoretsu Parade)

p.17 Map

A reenactment of the traditional Hakone Daimyo Procession is held every year **on November 3rd** at Hakone Yumoto area. The parade participants shout gallantly as they wind through the old Tokaido road and the hot spring (Onsen) towns. ☎0460-85-7751 (Hakone Yumoto Tourist Association)

- Walk from Odakyu-Line (Hakone Yumoto Sta.)/ 9:45-approximately 16:20

5 Chakkirako

p.13 Map

Originating in the early Edo Period, this dance is a prayer and also a celebration for a bountiful harvest and abundant fish catch. Performed **every January 15th**, the dance features graceful movements and song accompaniment. The chakkirako has been registered with **UNESCO as an Intangible Cultural Heritage**. ☎046-882-1111 (Education Department, Miura City)

- From the Keikyu-Line (Misakiguchi Sta.), take the bus bound for Misaki-kou Sta. to Misaki-kou bus stop, then two minutes walk. The dance is held every January 15th.

6 Yukake Festival

The Yukake Festival commemorates a time when the people presented a hot spring (Onsen) to the Shogunate during the Edo Period. Five mikoshis (portable shrines) in wooden tubs are paraded through the onsen town. In this unusual festival, people standing along the roadside gleefully throw hot springwater on the procession. The Yukake Festival is usually held **on the fourth Saturday every May**. ☎0465-64-1234 (Yugawara Spa Tourist Association)

- From JR (Yugawara Sta.), take the bus bound for Oku-Yugawara or Fudotaki. Get off at Ochiaibashi.

- Yokohama Port was opened in 1859. The port grew as a center of tea and raw silk exports and cotton imports. It was also an information center for aspects of Western culture new to Japan, such as railroads, beer, gas lamps, and more.

p.5 Map

7 Yokohama Kaiko (Opening of the Port) Festival

This annual summer event, now a permanent part of early summer in Yokohama, is held annually around **June 2nd**, the anniversary of the opening of Yokohama Port to the West. It features live concerts as well as fireworks and laser shows. ☎045-212-5511 (Executive Committee Secretariat)

- Venue: Minatomirai 21 and surrounding areas/ Dates: A period of several days around June 2nd (tentative schedule)/ <http://www.kaikosai.com/>

p.18 Map

Hot Springs (Onsen)

Kanagawa is home to some of Japan's premier hot springs, including Hakone and Yugawara. It should be noted that there are many different types of hot springs, and just as many different ways to enjoy them. Discover for yourself how wonderful the hot springs of Kanagawa can be, and then enjoy them to the fullest!

Hakone

Miyanoshita [Utagawa Hiroshige "Hakoneshichitozue (seven traditional hot springs of Hakone)" Ukiyoe-Print, Hakone Local Museum collection]

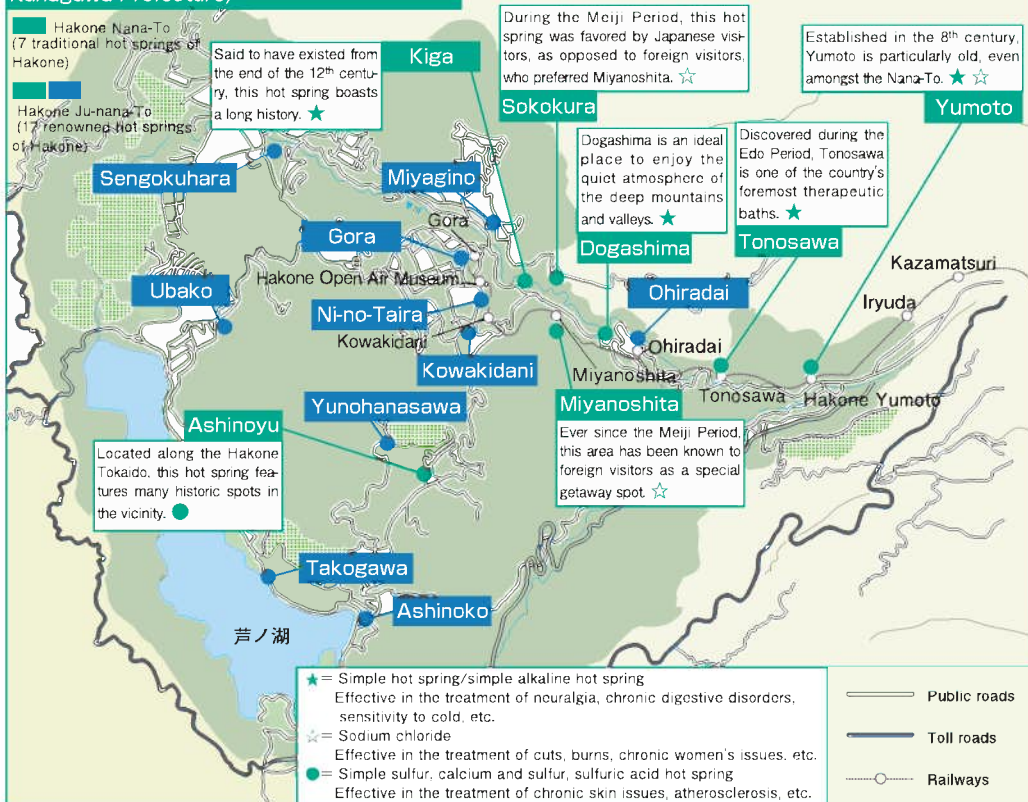

One of Japan's foremost hot spring areas, Hakone traces its history back 1,300 years, when the first hot spring was discovered here. The area is home to some seventeen major hot springs, collectively known as the "Hakone Ju-nana-To," each with different mineral composition and benefits. Amongst these seventeen, seven have particularly long traditions. These seven are Yumoto, Tonosawa, Miyanoshita, Dogashima, Sokokura, Kiga, and Ashinoyu.

→ See the following site for details:
<http://www.hakone.or.jp/en/>

Benefits of bathing in hot springs

● Even within Hakone, the hot spring qualities differ depending on the altitude of their location in the Hakone Mountains. All together there are more than twenty different kinds. Part of the fun of hot springs is choosing them either to treat specific conditions or by their unique mineral compositions.

Map of the Ju-nana-To (17 onsen) (Source: Hot Springs Research Institute of Kanagawa Prefecture)

Yugawara

Together with Hakone, Yugawara is one of Kanagawa Prefecture's

premier hot springs, having been noted in the Manyoshu, Japan's oldest poetry collection, which dates back to the 7th and 8th centuries. The hot spring here is said to have been discovered by a raccoon dog, who took on the form of a beautiful woman to tell human beings about it. Another legend holds that a monk found the spring and called it "the spring of Yakushi Nyorai" (Medicine Buddha). Later, as of the Meiji Period, Yugawara has been favored by many literary personalities and painters, who travelled there for rest and relaxation.

Spring Water Qualities & Benefits ● The spring water at Yugawara has an ideal level of sodium chloride and sulfuric acid. The water feels soft on the skin, and bathers do not tend to feel cold when they come out of the water. The waters are said to be good for external injuries, nerve pain, lower back pain, and women's issues.

Hot Springs of Hakone and Yugawara — a gift heaven and earth ● Hakone and Yugawara hot springs are both located within volcanoes. Their waters, however, principally originate from rainwater which has seeped into the ground. The seeped water is warmed by heat from magma deep in the earth. Some of the dissolved elements in the water such as sulfur and chlorine may also come from the magma, but many components in the water are derived from the stratum that holds the water. The variety of hot spring waters reflects the diverse history that the waters have experienced.

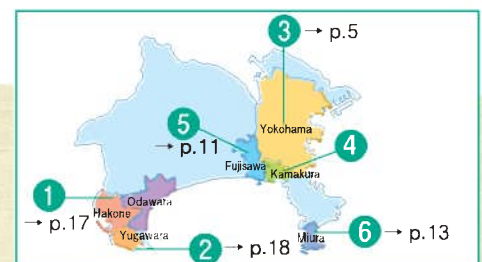

According to legend, a raccoon dog healed his wounds here at the Tanuki-kaze Shrine.

A noodle dish called "Yugawara Tan-tan yakisoba" also derives from this legend. → See page 27.

Try Kanagawa Prefecture's wide variety of onsen facilities

● How to bathe in the onsen: it's better to know beforehand!
<http://www.hakonenavi.jp/english/basics/hot-sp/manner/>

p.17 Map

① Hakone Kowakien Yunessun (spa resort)

Choose between the amusement zone, where you can swim with a bathing suit on, or try the Japanese-style baths, where users enjoy the baths naked. ☎0460-82-4126
 ● <http://www.yunessun.com>

p.18 Map

② Doppo-no-Yu (SPA)

This is Japan's largest footbath facility. As the name implies, this is an onsen just for the feet. The bath works on the pressure points of the feet, which stimulate the body's organs. → See page 18-2.

p.5 Map

③ Yokohama Minato Mirai Manyo Club

These extensive facilities offer everything you need to thoroughly relax body and mind. ☎045-663-4126
 ● 5 minutes walk from Queen's Square Yokohama at Minatomirai Sta. on the Minatomirai Line. / <http://www.manyo.co.jp/mm21/>

④ Inamuragasaki Spa

This is Kamakura's only natural hot spring. ☎0467-22-7199
 ● 3 minutes walk from Enoden-Line (Inamuragasaki Sta.) / Admission: ¥1,300/9:00-21:00/18 & up only.

p.11 Map

⑤ Enoshima Island Spa

The visitor can enjoy the natural hot spring, all while looking out over the ocean. ☎0466-29-0688
 ● 10 minutes walk from Odakyu-Enoshima-Line (Katase-Enoshima Sta.)

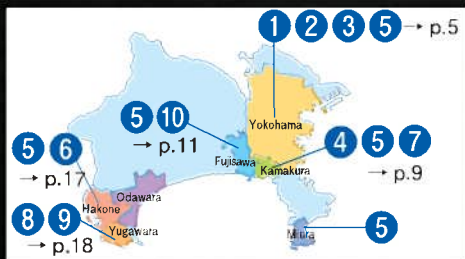

p.13 Map

⑥ Maholova Minds Miura

A high-quality natural hot spring that wells up from 1,200 meters under the ground. ☎046-889-8900
 ● Shuttle bus service available to and from Keikyū-Line (Miura Kaigan Sta.) / Baths open for non-staying guests 9:00-11:00, 12:00-22:00 for ¥1,000/ No regular holidays / <http://www.maholova-minds.com/english>

The Spectacular Night Views of Kanagawa

① Yokohama Minatomirai 21 Area Night View

② Actively Enjoying the Yokohama Night Scene (by ship or helicopter)

③ Yokohama Cocktail

In 1860, just after the Port of Yokohama was opened to the West, Japan's first bar was opened here in this city. Today Yokohama has many bars offering a great variety of cocktails.

● <http://www.yokohamajapan.com/>

The night is beautiful in Kanagawa. The following are some of the night views of the four seasons in different parts of the prefecture, including Yokohama's brilliant illumination.

p.9 Map

7 Hase-dera Temple Autumn Leaves Illumination From the end of November through the beginning of December, the temple grounds are lit up to highlight the beauty of the changing leaves.

● 5 minutes walk from Enoden-Line (Hase Sta.) / 17:00-18:30 (gate close at 18:00)

p.18 Map

8 Plum Tree Grove Illumination
From late February through the middle of March, some 4,000 red and white plum trees flower on the slopes of Makuyama Park, enveloping the entire park with the sweet scent of plum blossoms. → See page 19- ③

p.18 Map

9 Winter Fireflies in Manyo Park (with winter footbath)
From mid December through the end of the month, Manyo Park recreates the dancing fireflies of early summer with a fantasy illumination called "Winter Fireflies." A footbath hot spring is also available at night during this time. → See page 18- ②

p.9 Map

4 Tsurugaoka Hachimangu Shrine Cherry Blossoms (Dankazura)
In mid April, the path leading to Tsurugaoka Hachimangu is decorated with lanterns high-lighting the blossoming cherry blossoms, creating a visually fantastic sight.

● 3 minutes walk from JR (Kamakura Sta.)

5 Fireworks

Fireworks festivals are held throughout the Prefecture during the summer season. In Kanagawa in particular, the fireworks light up the ocean in many parts of the Prefecture.

- Yokohama Fireworks Festival: **Early August**
- Kamakura Fireworks Festival: **Mid July – Early August**
- Enoshima Fireworks Festival: **Third Saturday of October**
- Miura Kaigan Noryo Fireworks Festival: **Early August**
- Hakone Ashinoko Fireworks Festival: **July 31 – August 5**
- Yugawara Fireworks at Sea Festival: **Mid July-Early August**

6 Torii burning and fireworks on Lake Ashi

In an example of an old tradition being passed on to new generations, a six-meter tall torii (Shinto gate) floating on the lake is burned on **August 5**, followed by a fireworks display.

p.17 Map

p.11 Map

10 Illumination of Enoshima Observation Lighthouse

The Lighthouse is lit up from late November to end of January. The lighthouse that was equipped high-output LED projector first in Asia, the illumination is environmentally friendly while at the same time producing a beautiful array of colors. → See page 10- ②

Savor & Flavors

Yokohama

Opened to the West some 150 years as a gateway to trade, Yokohama has since become a gateway to culinary delights as well.

Ramen (Shin-Yokohama Ramen Museum)

→ See page 7-14

Gyunabe (beef pot)

Gyunabe is a dish first created in Yokohama during the Meiji period, a time referred to as the "cultural enlightenment." These traditional flavors can be sampled at gyunabe specialty shops in the city.

● <http://www.yokohamajapan.com/things-to-do/category/food-restaurants/>

Ice Cream

The product known as "Ice Green" sold at Bashamichi in Yokohama during the Meiji Period is said to be Japan's first ice cream.

● Sold at locations such as the Yokohama Red Brick Warehouse → See Page 5-7

Kamakura

Because Kamakura is dotted with numerous temples and shrines, there are many vegetarian restaurants in the area. Some of the dishes served were originally created in temples.

p.9 Map

Kamakura Vegetarian Cooking

Made entirely without meat, these vegetarian dishes are served at the temple.

☎0467-22-0603 (Komyo-ji Temple → See page 9-11)

Kenchinjiru Soup

According to some theories, this soup was named after Kencho-ji Temple (→ See page 9-11). The soup is filled with crumbled tofu as well as vegetables such as daikon radish and burdock sautéed in oil.

Japanese Traditional Sweets

These sweets are crafted with traditional Japanese flavors including matcha (powdered green tea) and so on.

Hakone

Hakone has a variety of local and seasonal specialties come from this area's rich natural environment.

Black Boiled Eggs

In Owakudani (→ See Page 16-2), where hot steam and volcanic smoke rise above the valley, you can enjoy black eggs boiled in a hot spring.

Ashinoko Smelt

Delicious smelt is one of Hakone's seafood specialties. With a history of more than 90 years, it is popular at local ryokan, hotels and restaurants.

Hakone Sweets Collection (spring and fall)

Featuring seasonal themes, these spring and fall original sweet collections welcome the visitor at Hakone's hotels, museums, confectionary shops, and more.

● <http://www.hakonenavi.jp/>

Eating is one of the most fun aspects of travel, enabling the visitor to experience the history, culture, and special customs of the area they are visiting. Even within Kanagawa Prefecture, the different areas have their own unique local specialties and gourmet dishes.

Miura

Miura's local specialties largely feature tuna.

Tuna Dishes

The Miura region has a variety of tuna dishes unique to the area, including some that make unusual use of certain parts of the fish (Miura tuna), tuna cutlets donburi (rice bowl) with sauce, tuna ramen, and more. ● <http://www.miura-info.ne.jp/>

Sushi

This sushi features Misaki tuna and other local fresh fish.

● <http://www.miura-info.ne.jp/>

Toroman

This Chinese-style manju (steamed buns) combines Misaki tuna caught in the Miura area's Misaki Bay with fresh vegetables. → See page 29.

Fujisawa

The Fujisawa area is known for its seafood including whitebait.

Choose from three seafood donburi (rice bowl) dishes: the Shirasu-Don, the Iseebi-Don, and the Enoshima-Don

A local specialty, the Enoshima-Don features sliced turban shell and egg. ☎0466-22-4141 (Fujisawa City Tourist Center)

Odawara

The dishes served here incorporate luscious seafood delicacies caught in Sagami Bay.

Odawara Oden

Try Odawara oden with the area's special ume-miso, made from the Japanese ume plum.

☎0465-20-0310 (Odawara Odenkai)

Kamaboko (fish cake)

Kamaboko is white fish paste formed into blocks and boiled. The Odawara variety has been made according to tradition since the late Edo Period.

Odawara-Don

Our renowned donburi dishes are made using Odawara specialties, including fish delicacies, and served on Odawara lacquer ware.

● <http://genki-odawara.com/don/index.html>

Yugawara

In addition to old-fashioned kibi mochi (millet-topped rice cakes), the area offers a new Kanagawa specialty called tan-tan yakisoba (fried noodles).

Kibi-mochi

This Yugawara delight features rice cakes made from a mixture of millet and white flour mixed with sugar, and topped with soybean flour.

Yugawara Tan-tan yakisoba (fried noodles)

This special yakisoba was created based on the legend of the raccoon dog that discovered the hot spring. These noodles are known for their hot taste!

Shopping & Souvenirs

Everywhere in Kanagawa Prefecture there are shopping streets and an array of local specialties featuring the handiwork of master craftsmen. These streets are lots of fun, even if you're just looking!

Yokohama

p.5 Map

Motomachi Shopping Street

This shopping street is the home of the style that has come to be known as "Yokohama traditional." It features clothing shops offering fashion goods including accessory items as well as bakeries, European-style confectionary shops, and more.

● In front of the Minatomirai-Line (Motomachi-Chūkagai Sta., Motomachi Exit), or 2 minutes walk from JR-Negishi-Line (Ishikawacho Sta., Motomachiguchi Exit) / Hours and holidays differ by individual shop / <http://www.motomachi.or.jp/en/>

p.5 Map

Yokohama World Porters

Yokohama World Porter offers a myriad of fashionable items from clothing to accessories to miscellaneous goods. Since there is also a movie theater and restaurants at the facility, visitors can easily spend the entire day here! ☎045-222-2000

● 5 minutes walk from Minatomirai-Line (Minatomirai Sta. or Bashamichi Sta.) / Open 10 : 30-21 : 00 (Restaurants: until 23 : 00) / http://www.yim.co.jp/foreign/directory_en/
