Information

Restaurant Matsumae 2F
 Enjoy various different dishes using seasonal ingredients. We also have a complete lineup of sake from all over Hokkaido.

Main bar Kay-Seven 2F
 This bar features a profound and relaxed interior designed based on the concept of the cabin of a yacht. Have a night to remember with brand name liquors from all over the world and original cocktails.

Noboribetsu Onsen is one of the most famous hot spring areas in Japan. We offer hot springs with different qualities such as incredible detox and moisturizing effects for you to enjoy.

Hot Springs

Dome shaped Roman style large bathing area
 This style was established in 1938 and has been maintained up until now. The full-scale dome bathing area which is rare for Japan has a ceiling with a height of 10m giving it a spacious feel. The sunlight which shines bright from the dome provides an amazing bathing experience. Among the 9 types of hot spring water in Noboribetsu Onsen, we offer the iron, sulfur and common salt springs.

Open-air bath with garden
 The open-air bathing area was designed based around the powerful waterfall and Japanese style garden. Enjoy the ultimate hot springs atmosphere while experiencing Japanese culture to your core with your eyes and ears. The white cedar bath has a wonderful aroma while the rock bath is overflowing with natural qualities. Enjoy the charm of our open-air baths which allow you to experience the features of the season all year round.

Hokkaido features the best tasting ingredients in all of Japan. Enjoy our specially crafted dishes featuring fresh seafood, freshly picked vegetables and wild plants along with great tasting meat.

Buffet

Experience top class cooking performances every day right in front of your eyes!
 In addition to our dishes which bring out the true flavor of great tasting Hokkaido ingredients, we also recommend the dynamic performances put on by our chefs which will stimulate all of your senses! We promise you'll have a wonderful time enjoying great tasting dishes including freshly deep fried tempura made with seasonal ingredients and steak cooked right in front of your eyes.

Enjoy Japanese cuisine in a private room
 Hokkaido surrounded in breath-taking nature is home to some of the best tasting ingredients in Japan. Our skilled chefs offer a number of different creative dishes using master techniques. Each dish is filled with the chef's passion and served at the optimal timing.
