## Kusatsu Forest Stage

A day in the trees is all about fun, challenging yourself and just like turned into a bird!

There is 42 athletic courses including a zip line. That's perfect for family and friends to enjoy together. Let's discover the beautiful scenery while you swinging through the forest!

## Forest Bathing and Strolling/Hiking

Our forest conveys many different expression in accordance to the season, climate and time of day.

Strolling in a forest improves the autonomic nervous system, endocrine system and immune system. We recommend walking in nature and restoring yourself. Breakfast after strolling in the forest is extraordinarily delicious.
