Our Initiatives in the middle of COVID-19 pandemic

For customers to travel safely and securely, HIS gives top priority to infection control and safety assurance. With the online tours, we can provide many trips with special features that we could not have done before.

Infection Control in Buses

1. Disinfection inside the bus
2. Health Care of the Drivers
3. Wearing Face Masks
4. Ventilation

Our buses use a system so that we can take in fresh air and ventilate the air in 5 minutes

Online Experience

We provide many online tours all around Japan on live with many themes such as "World Heritages", "Seasons", "Festivals".

Any one can see it any time and any where. We provide an universal tourism so that every one can enjoy their trip equally.

Japan Luxury Travel Designers

ZENSES

- Arrangement of the finest hotel brands
- Arrangement of high quality guide
- Arrangement of exclusive hire

ZENSES is a professionally arranged brand which provides a higher-grade special trip with the theme of "a once-in-a-lifetime experience" for wealthy foreign travelers. Specialized consultants with abundant knowledge and experience handle everything from tour consulting to creation, commercialization, and promotion.

Hen na Hotel

Hen na Hotel Commitment evolution

The policy of Henn na Hotel is “a hotel that promises to always keep changing.” This facility is certified by the Guinness Book of World Records as the first hotel with aworking robot.

Implementing cutting-edge robot technology,this robot hotel provides not only a comfortable stay but also an exciting and moving experience.

Huis Ten Bosch

This resort has a combination of flowers and light that' s truly moving.

The total area of this theme park is 1.52 million m2, the largest in Japan. A fulfilling experience like visiting another country is waiting for you here.

There are plenty of fun activities to enjoy here, or you can just take it easy and enjoy a relaxing stay.
