Spellbinding Scenery Tour: Sakurajima, Kinkowan Bay and the Mainland Japan's Southernmost Point

- Notes**
- Admire incredible sights, including the majestic active volcano, Sakurajima; and Japan's most dynamic ocean caldera, Kinkowan Bay.
 - Enjoy maximum relaxation at Ibusuki Sunamushi Natural Sand Bath and Cape Sata, the Kyushu mainland's southernmost point.
 - Travel the expansive terrain by boat, tour bus and pleasure train.

Cross to Chiringashima Island on a sandbar bridge that appears only at low tide from March to October.

Several times a year, the sun sets over the summit of Mt. Kaimon, creating breathtaking scenery that can be seen from the Osumi Peninsula side of the mountain.
