Volcanic Landscapes, Legends and the Culture of Kirishima

- Notes**
- Enjoy outdoor activities, including mountain climbing and trekking, around the active volcanoes of Japan's oldest national park, Kirishima-Kinkowan National Park.
 - Discover the region's living myths, culture and lifestyle.
 - Finish your trip with an optional aerial tour of Kirishima.

Behold the power of volcanic activity while looking down on the crater of Mt. Karakuni and the still-active crater of Mt. Shinmoe.
