Work Experience

Wondrium   **2022 – Present**
JavaScript Developer   Chantilly, VA

- Jira Tickets – Epic/Story/Bug, A/B tests, Quick View & Wishlist features, Checkout flow revamp, and D365/Worldpay migrations all leveraging the React/Redux Toolkit ecosystem within containerized microservices via Docker
- Class to Functional React component refactors - Hooks, Lifecycle methods, Redux slices, type safety with React PropTypes, ES6/7 optimization, etc.
- Full-Stack React/Laravel internal app support for event logs & settings interfaces
- GraphQL/Apollo query and mutation resolver maintenance
- Version compatibility refactors for React, Node.js, PHP, and Redux Toolkit
- E2E/Unit test suite coverage via Cypress & Cucumber (TDD/BDD)
- Global state management with Redux Toolkit for componentry hydration
- Git version control, Pull requests, Buddy/Observer code reviews
- GitHub, Jira, & Confluence documentation
- ESLint, Prettier, Stylelint ruleset implementation
- Webpack/Babel configuration
- Automated WCAG 2.1 web accessibility & SEO reports
- Agile sprints, Scrum meetings, Daily standups, Bi-weekly project demos
- Ticket prioritization, Story estimates, Backlog combing
- Enhancement audits/fixes in collaboration with the UX/UI team via Jira & Figma
- On-call deployments & Pager Duty for critical IT support

Mōdere   **2021 – 2022**
Web Developer   Springville, UT

- Developed, optimized, and maintained responsive, uniform websites and product detail pages for the North American markets as the acting liaison between IT and Marketing with Angular, SCSS, and XD
- Improved usability throughout the browse & checkout process, contributing to a series of record-sale promotional launches
- Boosted user accessibility scores – 20% ADA spike

Online Image   **2020 – 2021**
Web Developer   Murray, UT

- Built and supported a host of SEO-optimized and ADA-compliant websites with JavaScript, PHP, and Figma for numerous clientele across a myriad of industries

Internship Experience

Village Book Builders   **2020**
Web Developer - Internship   Highland, UT
- Designed a fully-responsive website for a non-profit organization with JavaScript, PHP, and Adobe XD that ultimately decreased their viewership bounce rate by 40%

Volunteer Experience

Full-Time Representative   Dominican Republic
Missionary – The Church of Jesus Christ of Latter-Day Saints
- Served a full-time mission cultivating personal and spiritual growth among the Dominican people

Eagle Scout Project   Owasso, Oklahoma
Project Manager – Boy Scouts of America
- Oversaw the funding and construction of community benches for the Owasso High School Marching Band and Biological Sciences Department
