Welcome to IILM

IILM University, Greater Noida is located at Plot No. 16-18, Knowledge Park II, and was established under the Uttar Pradesh Private Universities (Amendment) Act, 2022. It offers undergraduate, postgraduate and doctoral programmes across management, computer science, engineering, law, sciences, psychology, communication and liberal arts.

A philosophy of liberating knowledge

The university's guiding aphorism, *Sa Vidya Ya Vimuktaye*, translates as "True knowledge is that which liberates". The word "ilm" means knowledge and wisdom in Persian, and the crest depicts a temple of learning with four symbols: the rising sun (the dawn of knowledge), the book (structured inquiry), the swan (discernment) and the lamp (the upward aspiration of the mind).

Our promise: six graduate attributes

- **The Purposeful Leader** leads with integrity and inspires positive social and economic impact.
- **The Empathetic Collaborator** communicates well and builds trust in diverse teams.
- **The Innovative Thinker** uses creativity and critical thinking on complex problems.
- **The Ethical Technologist** uses AI and big data with wisdom and responsibility.
- **The Resilient Adapter** shows self-awareness and adapts with agility.
- **The Culturally Fluent Citizen** is rooted in Indian heritage and globally aware.

IILM's degrees follow a multidisciplinary four-year undergraduate structure with honours and research tracks, so students can explore, specialise and combine disciplines.

[Verify before print] Founding year of the institution and the Greater Noida campus start date were not confirmed on the sources reviewed.

A Legacy of Excellence

IILM's published materials describe more than 30 years of industry integration and a 16,000+ strong alumni network (university-wide). Alumni testimonials on the official site go back to the 1994-96 batch.

Year	Milestone (as published by IILM)
1994-96	Earliest alumni batch featured in IILM's published testimonials.
2022	Established under the UP Private Universities (Amendment) Act, 2022; recognised by UGC (letter dated July 2022).
Jan 2025	AIU membership letter issued to IILM University, Greater Noida.
2024-25	4-Star rating in the Institution's Innovation Council (IIC).
2026	BCI approval for 2026-27; MBA NBA accreditation (letter covering 2026-2028); PRME signatory membership.
Oct 2026	3rd Convocation Ceremony; All India 1st Mock Trial Competition; Dandiya "Rangrez" cultural fest.

[Verify before print] Add the institution's founding year and the earlier milestones (e.g. 1st/2nd convocation dates) from the official About page before print.

IILM at a Glance

30+ years of industry integration (university-wide)	**16,000+** alumni network (university-wide)	**50+** countries with alumni presence (university-wide)
400+ placement partners	**Rs 26 LPA** highest package	**Rs 8.6 LPA** average package (university brochure)
38 programme listings on the official Greater Noida menu: 22 UG, 12 PG, 4 PhD	**6** schools: Management, CSE, Engineering, Law, Humanities & Social Sciences, Sciences	**100%** placement assistance (assistance, not a guarantee)

Placement statistics are published by the Centre for Career Services, which handles internships and final placements for management programmes. See page 22 for scope.

[Verify before print] The official placements page shows an average of 8 LPA while the university brochure shows 8.6 LPA. Confirm the reporting batch and the correct figure with IILM.

Vision, Mission & Values

Deep Purpose - our "why"

To nurture responsible leaders, compassionate innovators and global citizens who create inclusive, sustainable value for society, through a transformative, values-based learning environment where human connection, entrepreneurial courage and intelligent technology converge.

Vision - our "what"

To be India's most innovative university, preparing leaders with purpose for the opportunities of tomorrow.

Mission - our "how"

To empower a diverse community of learners through progressively AI-integrated education, emerging research capabilities and real-world experiences, fostering innovation and human connection to create meaningful solutions for India and beyond.

Six core values

Value	What it means
Empathetic Collaboration	Open dialogue, mutual respect and collaboration across disciplines and cultures.
Purposeful Innovation	New ideas and intelligent technology applied to real-world challenges, with empathy and impact.
Courageous Learning	Curiosity, calculated risk-taking and resilience in the face of change.
Ethical Stewardship	Integrity, accountability, academic freedom and responsible technology use.
Student Success	Personalised support and engaging experiences inside and outside the classroom.
Culturally Grounded, Globally Conscious	Pride in Indian heritage with fluency and respect on the global stage.

Leadership & Governance

The names below come from IILM's 2026 university brochure for the Greater Noida campus. Official photographs are not embedded in this draft.

Name	Role at IILM University, Greater Noida	Background
Mr Bharat Kaushal	Chancellor	Managing Director, Hitachi India
Dr Harivansh Chaturvedi	Pro-Chancellor	Director General, IILM Lodhi Road; former Professor & Director, BIMTECH, Greater Noida
Justice Hima Kohli	Chairman of the Board, School of Law	Justice (Retd.), Supreme Court of India
Prof V. N. Rajasekharan Pillai	Chairman of the Board, School of Management	Former Vice Chancellor, IGNOU
Mr R. Anand	Chairman of the Board, School of Engineering	Former Professor, Dept. of Computer Science, St. Joseph Engineering College

The official site also lists the Vice Chancellor, Pro Vice-Chancellor, Registrar, Controller of Examinations, Chief Finance Officer and other officers, plus statutory committees (Governing Body, Executive Council, Academic Council, Anti-Ragging, Internal Complaints and more).

[Verify before print] Add official portraits, short bios and the current Vice Chancellor / Pro Vice-Chancellor from iilm.edu/greater-noida/vice-chancellor/ and /pro-vice-chancellor/ (not retrieved).

Recognitions & Accreditations

Recognition	Details (as published)
UGC	Recognised by the University Grants Commission vide Letter No. 8-17/2022(CPP-I/PU), July 2022.
State Act	Established under the Uttar Pradesh Private Universities (Amendment) Act, 2022 (U.P. Act No. 3 of 2022).
BCI	Bar Council of India approval for 2026-27 (School of Law).
NBA	Master of Business Administration (MBA) is accredited by the National Board of Accreditation. Scope is the MBA programme only; letter covers 2026-2028.
AIU	Member of the Association of Indian Universities.
IIC	4-Star rating in the Institution's Innovation Council, academic year 2024-25.
PRME	Signatory member, UN Principles for Responsible Management Education.
IIRF	IIRF listing for IILM University, Greater Noida (see official page for the ranking edition).
ISO	ISO certifications page maintained at iilm.edu/greater-noida/iso-certifications-iso/.

Please note: NBA accreditation applies to the MBA only and must not be read as institution-wide. Programme-level approvals (such as BCI) apply to the relevant programmes.

[Verify before print] Official logos could not be downloaded in this build. Add UGC, AIU, BCI, NBA, PRME logos from the recognition page, and confirm no NAAC status is claimed.

Why Choose IILM University?

- **Industry-oriented education.** Collaborations with KPMG, HCL Tech, IBM, Microsoft and L&T; EduTech shape specialised programmes.
- **Multidisciplinary learning.** A four-year undergraduate structure with major-minor, dual-degree, integrated and accelerated global degree pathways.
- **Global exposure.** Global Study, Semester Abroad and Accelerated Master's options through IILM Global Connect.
- **Experiential learning.** IILM Innovation Lab, Structured Internship Programme, Career Trek visits and management immersion programmes.
- **AI and emerging technology.** The mission commits to progressively AI-integrated education; labs span AI, cloud, cybersecurity and iOS.
- **Faculty mentorship.** One-to-one and peer mentoring, with a published Mentoring Policy.
- **Career development.** Career coaching, resume clinics, mock interviews and a Corporate Readiness Programme (Mindset, Skillset, Toolset).
- **Entrepreneurship and innovation.** Incubation Centre, Entrepreneurship Cell and startup mentoring.

Scholarships. Merit and means-based scholarships of up to 100% tuition waiver are published, based on Class XII results and entrance performance (see page 27).

[Verify before print] Legal Tech / sports / hospitality-style add-ons seen in Gurugram materials are deliberately excluded.

Academic Schools

School	Departments / focus	Pages
School of Management	BBA (Hons), MBA, MBA for Working Professionals	10-11
School of Computer Science & Engineering	Dept. of Computer Application; Dept. of Computer Science & Engineering	12
School of Engineering	Electrical & Electronics; Mechanical & Allied; Biotechnology	13
School of Law	BA LLB, BBA LLB, LLB, LLM	14
School of Sciences	Forensic Science; Physics; Chemistry & Environmental Sustainability; Mathematics	15
School of Humanities & Social Sciences	Psychology; Communication; Liberal Arts	16-17

Hospitality is offered as a BBA specialisation (Hospitality & Services Management) within the School of Management. A standalone **School of Design** was requested for this brochure but does not appear in the official Greater Noida schools or programmes menu; the design programmes in IILM's university brochure (Digital Product Design, Fashion Design & Management, Interior Design) are listed under the Gurugram campus.

[Verify before print] Confirm with IILM whether any design programme is offered at Greater Noida for 2026. If not, leave it out.

School of Management: BBA

BBA (Hons) at Greater Noida follows IILM's four-year multidisciplinary undergraduate framework with honours and research tracks. Learning combines case discussions, project work, management games and business simulations, with summer internships facilitated by the Centre for Career Services.

BBA specialisations listed for Greater Noida

Specialisation	Industry partner (if listed)
Accounting & Finance	KPMG
Artificial Intelligence	-
Aviation Management	-
Banking & Finance	-
Business Analytics	HCL Tech
Entrepreneurship	-
General (Finance / HRM / Marketing)	-
Hospitality & Services Management	-
International Business	-
Logistics Management	-
Management Technology	HCL Tech
Operations Management	-

Eligibility

Minimum 50% in Class XII (State Boards, CBSE or CISCE). Entrance routes include CUET-UG and Board merit.

Career pathways

Graduates move into finance, analytics, operations, marketing, HR, aviation and hospitality roles, or progress to an MBA. Placement support is published; outcomes are not guaranteed.

[Verify before print] Confirm exact BBA duration and fee per specialisation from the 2026 BBA brochure.

School of Management: MBA

The IILM MBA is accredited by the National Board of Accreditation, and the programme includes personal and career development modules woven into the curriculum. Eligibility is a bachelor's degree in any discipline, with entrance scores accepted from CAT, XAT, MAT, CMAT, GMAT, NMAT, ATMA and CUET-PG.

MBA pathways listed for Greater Noida

Programme	Collaboration
MBA - Accounting & Finance	KPMG
MBA - Artificial Intelligence	HCL Tech
MBA - Business Analytics	HCL Tech
MBA - Entrepreneurship & Innovation	T-Hub
MBA - General Management	-
MBA - Human Resource Management	-
MBA - Marketing Management	-
MBA - Operations, Logistics & Supply Chain Management	Blue Ocean
MBA Management Technology: Artificial Intelligence, Business Analytics, Cybersecurity, Data Science	HCL Tech
MBA Management Technology: Energy Management	-
MBA (Dual Specialisation)	-
MBA for Working Professionals	-

[Verify before print] Finance/Fintech, Healthcare, Sports and Real Estate MBA tracks you listed appear only in the Gurugram brochure and are excluded. PGDM was not shown on the Greater Noida programme menu; confirm before adding.

Computer Science & Engineering

The school spans the Department of Computer Application and the Department of Computer Science & Engineering. Programmes are built around hands-on labs, certifications and partner-led specialisations.

B.Tech CSE specialisations

- AI & Machine Learning, including a programme with IBM
- Cloud Computing and Cyber Security, offered in collaboration with Microsoft
- Cyber Security with Quick Heal
- Data Science and Big Data Analytics
- Graphics and Gaming
- Full Stack Web Development with L&T; EduTech
- iOS Mobile Application with ML & AR with SKLZ TECT LLP

Other programmes

Programme	Notes
BCA (4 years, Hons)	AI-ML; Web Development
BCA with SKLZ TECT LLP	Web Design & Development and iOS Fundamentals
MCA	Postgraduate
M.Tech CSE	Generative AI; Robotics & Machine Intelligence

Eligibility. B.Tech: 10+2 with Physics and Mathematics plus Chemistry / Biotechnology / Biology / a technical vocational subject, minimum 50% (45% for SC/ST/reserved categories). BCA: minimum 50% in any stream. M.Tech: B.E./B.Tech with 50%.

[Verify before print] Duration of each programme and the exact collaboration status should be checked against the 2026 CSE brochure. Data Engineering, Immersive Technologies and Robotic Intelligence tracks appear under Gurugram and are excluded.

School of Engineering

Departments: Electrical & Electronics Engineering, Mechanical & Allied Engineering, and Biotechnology. Students use laboratories for biotechnology, electrical and electronics, mechanical and allied engineering, plus CAD/CAM and science labs listed in the university brochure.

Programmes listed for Greater Noida

Programme	Level
B.Tech Biotechnology	UG
B.Tech Bioinformatics	UG
B.Tech Food Technology	UG
B.Tech Electronics & Communication Engineering (also with L&T;)	UG
B.Tech Electrical & Computer Engineering	UG
B.Tech Electronics & Computer Engineering (as per university brochure)	UG
B.Tech Mechanical Engineering	UG
B.Tech Robotics & Artificial Intelligence	UG
B.Tech Civil & Sustainable Infrastructure Engineering	UG
B.Tech Semiconductor Technology (per brochure)	UG
M.Tech Biotechnology, Bioinformatics, Mechanical Engineering, Electronics & Communication, Semiconductor Technology	PG

Robotics is a visible theme on campus, for example the AURIX 2026 "Future of Robotics & Innovation" event held on 27 October 2026.

[Verify before print] Semiconductor Technology and Electronics & Computer Engineering are in the brochure but not in the website menu; confirm that they are open for 2026.

School of Law

The School of Law offers integrated and standalone legal degrees and benefits from a Bar Council of India approval for 2026-27. Chair of the School's Board is Justice Hima Kohli, Justice (Retd.), Supreme Court of India.

Programme	Eligibility / note
BA LLB (Hons)	Class XII with 50%, any recognised Indian board or equivalent
BBA LLB (Hons)	Class XII with 50%; entrance routes include CLAT, CUET-UG, LSAT India
LLB (3-year)	Postgraduate-level entry; see official eligibility
LLM (1 year)	Postgraduate; see official page

Practical exposure

- Moot Court facility for courtroom simulation
- Legal Aid Committee and law-focused clinics (see official committees list)
- All India 1st Mock Trial Competition 2026, held on 14 October 2026
- Visits and internships facilitated by the university

[Verify before print] Confirm LLB duration and eligibility, LLM specialisations, and the BCI approval wording for each programme from the Law brochure.

School of Sciences

The School of Sciences includes the Departments of Forensic Science, Physics, Chemistry & Environmental Sustainability, and Mathematics.

Programme	Level
B.Sc (Hons) Forensic Science	UG
M.Sc Forensic Science	PG
Ph.D. in Forensic Science	Doctoral
Ph.D. in Physics	Doctoral
Ph.D. in Chemistry	Doctoral
Ph.D. in Mathematics	Doctoral

Agriculture, Environmental Science & Sustainability, Industrial Chemistry and Mathematics with Data Science / Financial Analytics are listed in IILM's university brochure under Gurugram and do **not** appear in the Greater Noida programme menu. They are not included here.

[Verify before print] Confirm with IILM whether any of those science programmes are offered at Greater Noida in 2026, and add forensic-lab details from the department page.

Psychology, Humanities & Liberal Arts

The school houses the Departments of Psychology, Communication and Liberal Arts. Psychology students learn in the Psychology Laboratory, and the whole community has 24x7 confidential access to YourDOST counselling.

Area	Programmes
Psychology	BA (Hons) Psychology; B.Sc (Hons) Psychology; MA Psychology; M.Sc Psychology
Liberal Arts (UG)	BA (Hons) in Economics, English, History, Political Science; the website lists BA (Hons) in Political Science & International Relations, Economics and Public Policy
Liberal Arts (PG)	MA Public Policy

What students experience

- Research and applied learning with faculty mentors
- Counselling exposure via the Psychology Laboratory
- Interdisciplinary electives across schools
- Eligibility: Class XII with 50% (UG); bachelor's degree (PG)

[Verify before print] Verify the exact Liberal Arts programme names and which are open for the 2026 intake.

Communication & Hospitality

Department of Communication

Programme	Level
BA (Hons) Journalism & Mass Communication	UG
MA Mass Communication	PG

Students use multimedia and media labs and a TV-style studio environment. Career Trek visits for media students include News18, AIR and the Parliament of India.

Hospitality & Services Management

Hospitality is available as a specialisation within the BBA (Hons) programme at Greater Noida and includes access to sector mentoring and field exposure.

[Verify before print] Corporate Communication, Digital Product Design, Fashion Design & Management and Interior Design appear only in Gurugram materials and are excluded. The brochure's "Department of Communication" link on the website points to the campus-life PDF; request the correct file.

Industry Collaborations

IILM works with industry and technology partners to co-design specialisations, labs and certifications. Partners named in the Greater Noida programme listings and university brochure include:

Partner	Where it appears
KPMG	BBA / MBA Accounting & Finance
HCL Tech	BBA and MBA Business Analytics, AI, Management Technology
IBM	B.Tech CSE (AI & ML); Innovation Centre for Education
Microsoft	B.Tech CSE Cloud Computing and Cyber Security
L&T; EduTech	B.Tech CSE Full Stack; Electronics & Communication
Quick Heal	B.Tech CSE Cyber Security
SKLZ TECT LLP	BCA and B.Tech CSE iOS programmes
T-Hub	MBA Entrepreneurship & Innovation
Blue Ocean	MBA Operations, Logistics & Supply Chain
Others in the university brochure	Xebia, Infosys Springboard, AWS Academy, Palo Alto Cybersecurity Academy, Oracle Academy, Edunet Foundation

What students gain

- Industry-aligned curriculum and certifications
- Projects, mentoring and guest sessions with practitioners
- Stronger internship and placement visibility

[Verify before print] Add partner logos and confirm which collaborations are active for the 2026 intake; some are listed university-wide.

Global Connect

IILM Global Connect builds academic partnerships across continents. Three formats are published:

Format	Duration	Where
Global Study Programme	1 to 4 weeks	Finland, France, Germany, Canada, Spain
Semester Abroad Programme	3 to 5 months	Partner universities in France, Germany, Austria, the Netherlands, Switzerland, Bristol (UK), Massachusetts, Virginia, Copenhagen and Aberystwyth
Accelerated Master's Programme	Post-graduation fast-track	Pathways at institutions such as the University of Massachusetts, Dartmouth

The university also advertises dual-degree and exchange options and an Accelerated Global Degree, where students may earn an IILM bachelor's degree plus a second degree from an international university through early planning and selection.

[Verify before print] Add partner university logos and the student exchange list from iilm.edu/greater-noida/iilm-global-connect/. Eligibility, costs and seats for each pathway must be confirmed with the university.

Innovation & Entrepreneurship

IILM University, Greater Noida lists an Incubation Centre, an Entrepreneurship Cell, a Centre for Purpose, Research Labs and an R&D; section on its official site. The university brochure describes the IILM Innovation Lab as a place to ideate, prototype and pitch real products and services.

Innovation and entrepreneurship

- Capstone projects can progress to incubation, seed funding or pitch competitions
- Mentoring from scholars, practitioners and entrepreneurs, with an alumni and startup network
- IILM University, Greater Noida holds a 4-Star IIC rating (2024-25)
- Events such as AURIX 2026 (robotics and innovation) bring students and industry together

Research

Research is supported through the R&D; Cell, faculty-led consultancy projects, UGC CARE journal resources, conferences and doctoral programmes in Chemistry, Mathematics, Physics and Forensic Science.

[Verify before print] "IILM Innovation Foundation" was not found in the sources reviewed, so it is not named. Add verified research output, patents and funding numbers from the Annual Report 2024-25 and the Research page.

Faculty & Academic Mentorship

IILM students are mentored by academics and industry practitioners. Alumni describe being taught by faculty from institutions such as IIM and FMS alongside IILM's own professors. The university publishes a Faculty Handbook and a Mentoring Policy, and offers one-to-one and peer mentoring through the academic year.

How mentoring works

- Academic mentors guide students on courses, projects and progression
- Industry mentors from varied sectors give practical insight and career guidance
- Career coaches map aspirations to a tailored roadmap

Faculty profiles

Faculty names, photographs, designations and qualifications must come from the official faculty page. They were not retrieved for this draft, and no profiles have been invented.

[Verify before print] Pull 6 to 8 faculty profiles (photo, name, designation, qualification, experience) from https://iilm.edu/greater-noida/faculty/ across Management, CSE, Engineering, Law, Sciences and Humanities.

Placements & Career Development

Rs 26 LPA	Rs 8-8.6 LPA	400+
highest package	average package	placement partners

[Verify before print] Scope: the official placements page describes these figures under the Centre for Career Services for management programmes and does not state the batch. Report batch/programme scope before print. 100% refers to placement assistance, not a guarantee.

Top offers shown on the official site (examples)

Recruiter	Package (Rs per annum)
Lloyds Technology Centre	16,07,452
Smartbox Ecommerce Solutions Pvt. Ltd.	12,24,996
AYE Finance (P) Ltd.	11,56,000
Oxane Partners	10,70,000
Regalo Kitchens	10,02,000
BlackRock	9,85,000
Reliance BP Mobility Limited	9,00,000
Trinamix	9,00,000
L'Oreal	8,64,857

Career support

- One-on-one career coaching and resume clinics
- Mock interviews and case study workshops
- Corporate Readiness Programme: Mindset, Skillset, Toolset
- Structured Internship Programme and Career Trek industry visits
- Up to 20 applications per student under the Placement Policy

Recruiters named in university materials: Deloitte, KPMG, TCS, Reliance Retail, Axis Bank, Sony, BlackRock, L'Oreal, Lloyds Technology Centre and others.

Alumni Success Stories

Alumnus / Alumna	Role and batch	In their words (paraphrased)
Anita Ahuja	Senior Vice President, Citibank, Singapore. MBA 2008-10	Credits case studies, group discussions and grooming sessions for building business skills, and says the curriculum helped her move from a non-finance background into finance.
Shillaza Girdhar	Director - HR, 360 Degree Engineering & Consulting Services. Batch 2004-06	A gold medallist who spent over a decade at Deloitte Consulting; calls her time at IILM transformative.
Harbinder Narula	CEO, Businessworld Healthcare / Wellbeing. Batch 1994-96	Values learning from faculty drawn from institutions such as IIM and FMS alongside IILM professors.
Gurtej Chawla	Associate Vice President, Xceedance Consulting. MBA 2006-08	Highlights faculty with real-world insight, personalised mentoring and a vibrant campus.
Anshita Gupta	CEO, Da One Group. Batch 2008-10	Career spans radio, Times Group, Viacom18 and JioCinema before becoming CEO in April 2025.

IILM reports a 16,000+ alumni network across more than 50 countries (university-wide).

[Verify before print] Add alumni photos from the official site and get written permission for names and photos. The website shows an identical quote for two alumni; use the verified version.

Campus Infrastructure

IILM University, Greater Noida is built around brick academic blocks, technology-enabled classrooms and specialised laboratories. Facilities named in IILM's university brochure include:

- **Advanced laboratories:** Computer Science, Dell, iOS, Artificial Intelligence, Cloud Computing, Cybersecurity, CAD/CAM
- **Engineering and science:** Biotechnology, Electrical & Electronics, Mechanical & Allied Engineering, Science laboratories
- **Specialised spaces:** Psychology Laboratory, Multimedia Studio, Media Lab
- **Learning resources:** Library, Moot Court, IILM Innovation Lab, technology-enabled and interactive classrooms

Virtual tour: iilm.ac.in/virtualtour

[Verify before print] Facility lists in the university brochure cover both campuses. Confirm which labs and studios are on the Greater Noida campus, and replace photos with verified Greater Noida images.

Hostel & Residential Facilities

IILM's brochure describes on-campus and nearby residences with 24x7 security, medical facilities, fitness centres, laundry and high-speed Wi-Fi. A Residence Life Policy and a Hostel & Dining Committee are published on the official site.

- **Safety:** CCTV monitoring and trained security personnel 24x7
- **Wellness:** on-campus medical services and round-the-clock medical care
- **Dining:** Scholars Cafe, Campus Collegiate, Chai Garam, KitKat Kiosk and more
- **Community:** shared lounges, cafes and event spaces
- **Health Facilities and Creche Facilities** pages are available on the official site

[Verify before print] Hostel room types, capacity, rent and meal plans were not found. Request them from the Residence Life Policy and fee brochure; do not print guesses.

Campus Life

Cultural life flourishes through clubs, events and signature experiences.

Clubs	Events	Health & fitness
Drama, Music, Dance, Photography, Debate	Cultural Fest, Spring Fest, Fashion Show, hackathons, Moot Court competitions, Budget Buzz Expo, Dandiya "Rangrez", AURIX, Convocation	Football, Cricket, Badminton, Pickleball, Chess; Table Tennis, Carrom, Foosball; gymnasium, yoga studio, Zumba

Student well-being. In partnership with YourDOST, students, faculty and staff can access confidential, anonymous counselling 24x7 via web or mobile.

[Verify before print] Club, event and sports lists in the brochure are university-wide; confirm what runs at Greater Noida (the official site also lists an Activity Calendar 2026-27).

How to apply

- **1. Application submission:** register online and submit the application with academic details
- **2. Document verification:** upload mark sheets and entrance scores
- **3. Evaluation and shortlisting:** academics, exam scores, interview and co-curricular achievements
- **4. Personal interview / entrance exam** for shortlisted candidates
- **5. Admission offer:** pay the registration fee to confirm

Eligibility

Level	Minimum requirement
UG (Management, Liberal Arts, Law, BCA)	50% in Class XII
B.Tech	10+2 with Physics & Mathematics and a third subject; 50% (45% SC/ST/reserved); no grace marks
B.Tech Biotechnology	Physics and Mathematics or Biology; 50%
PG	Bachelor's degree with 50% and valid entrance score
M.Tech	B.E./B.Tech with 50%
Doctoral	Master's degree with 55%

Accepted exams: Management - CAT, XAT, MAT, CMAT, GMAT, NMAT, ATMA, CUET-PG. Engineering - JEE Main, CUET-UG. Law - CLAT, CUET-UG, LSAT India-UG. UG - CUET-UG or Board merit.

Scholarships. Merit and means-based scholarships up to 100% tuition waiver, based on Class XII results and entrance performance such as CAT/XAT. See iilm.edu/greater-noida/scholarship.

International applicants: transcripts with AIU equivalence, IELTS/TOEFL, SOP, letters of recommendation and a valid passport/visa.

[Verify before print] Fee figures are intentionally omitted: the 2026 fee brochure could not be read in this build. Add programme-wise fees from the official file (programme-fee-2026) and the refund policy. Scholarship eligibility needs the official slabs. Admission dates are not stated.

YOUR FUTURE STARTS WITH THE RIGHT CHOICE.
