COSMOPOLITAN RANGE

Inspired from colours influences
from around the world

info@justaddplants.com

THE COSMOPOLITAN Difference

The COSMOPOLITAN Range offers you much more difference to others in the marketplace.

- Use uniquely as a cover planter inside the home or office, or plant directly into for complete outside use (Install drainage holes for outside use where required)
- Manufactured from strong, durable Fibreglass in our new concrete finish
- Three innovative modern designs in various sizings
- An array of stunning layout designs using the latest colour inspired combinations from around the world
 - 100% product satisfaction guarantee
