

## MEDIA ACCREDITATION FORM

- **Media Accreditation:** Media accreditation can be requested by means of the Media Accreditation Form found on the Rolex Middle Sea Race website. Applications for Media Accreditation should be accompanied by an official letter/request from the media house/client the applicant is representing.

- **Media Centre:** No Media Centre will be made available for members of the media. They should therefore make their own arrangements for working space, access to internet etc.

- **Media Boats:** No Media boats will be provided for accredited journalists for the start of the Rolex Middle Sea Race. Journalists will be expected to secure their own locations.

- **Imagery** - The Royal Malta Yacht Club will be uploading a selection of images on the Rolex Middle Sea Race website. Accredited media will be able to request higher resolution versions by sending an official request, highlighting the media they require via email to [pr@rmyc.org](mailto:pr@rmyc.org).

**The use of such images is strictly limited to editorial use and not for commercial publication.**
