

Bedroom Unit Carcass Specifications

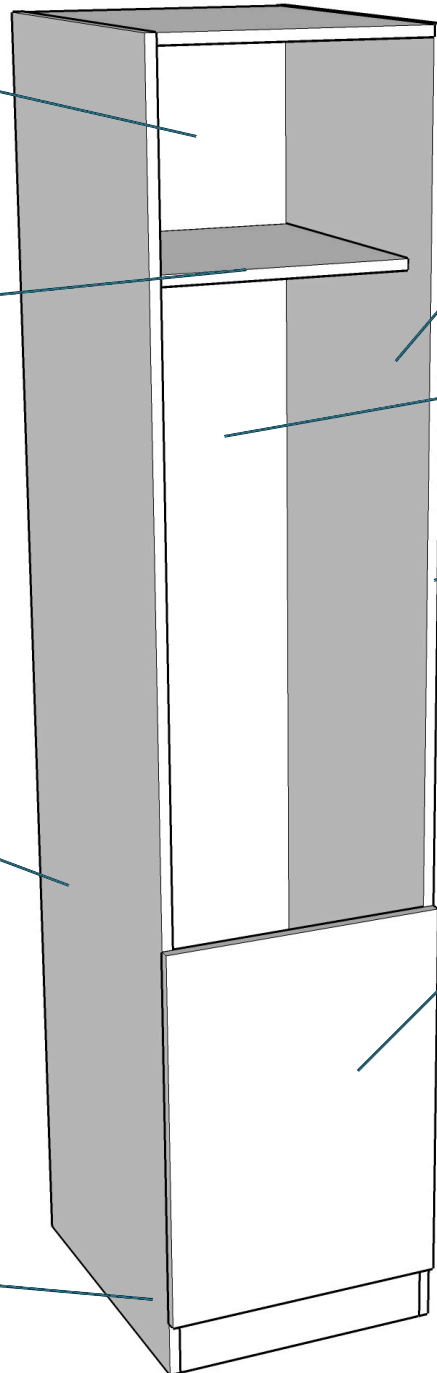

Stable Wardrobes

20mm service void.

18mm matching shelf supplied. Cabinet is drilled for choice of two fixed positions, either 400mm down or central for double hanging.

Units are 18mm thick colour coordinated Egger board.

Supplied with gable ends to floor, 4 adjustable feet and 100mm plinth, flush to fascia.

Each unit can be supplied with the appropriate clip on soft close hinges. These can be added in the door hinges option on each product.

18mm solid back.

0.8mm ABS edged with PUR glue for a strong water resistant finish.

Blank included. We will adjust the height of the blank to suit the door you are using.

As standard, blank height will be adjacent unit height plus 60mm (to allow for worktop and clearance) minus 100mm (blank starts above plinth).

E.g. 720mm for 760mm high adjacent units

Wardrobe units are supplied flat packed.
