

INSULATE LIKE A PRO USING PRE-CUT ECOBATT® INSULATION

SWITCH TO KNAUF ECOBATT® INSULATION VERSUS OUR ECOROLL® PRODUCT

LESS SPACE, LESS TIME, MORE MONEY

- EcoBatt insulation has up to 43% more (based on R-value) sq. ft. per bag than EcoRoll, meaning less handling on the job site and fewer trips to the job or warehouse
- Batts are pre-cut, saving you time during installation

SAME COMPETITIVE PRICING

- Get the same competitive price per sq. ft. as roll insulation

SAME SUSTAINABLE PRODUCT

- Made in the USA using the same formaldehyde-free ECOSE® Technology
- Ecobatt insulation uses up to 44% less packaging (based on R-value) vs. EcoRoll, meaning less waste going to landfills
