Status 01.2025

YOUR DESIGN KIT

K+N NOOK

BACKREST CUSHION
Can be retrofitted
without tools

DESIGN POTENTIAL
Our system allows a variety of
combinations of backrests and base
types/styles.

BACK
The plastic split-shell backrest
(black or white) is available
unupholstered or with a cushion pad.

ARMRESTS
The comfortable plastic armrest is connected
directly to the backrest.

UPHOLSTERY
Selection of fabrics and colours
from the K+N fabric collection.

Back cushion can
be retrofitted and
replaced without
tools. Seat cushion
can be replaced
without tools as well.

FRAMES
The following variants are possible in
combination with the high aluminium star base:
+ Height adjustment
+ Height adjustment with mechanism
+ Fixed seat height without operating lever
+ Fixed seat height with mechanism

K+N NOOK.SHELL

Back and seat
cushion can be
replaced
without tools.

BACK
The backrest shell is available in
black or white. There are also two
cushion variants.

WRITING TABLET
Swing-out writing tablet with integral
pen and drink holder.

FRAMES
Various models: Stackable four-legged
and cantilever models, four-legged
model on castors, four-legged model on
central column, on starbase (high and
flat) and as a counter chair.
The cantilever models for use on
carpeted floors are delivered without
glides, with anti-tilt feet at the front.

DESIGN POTENTIAL
Our system allows a variety of
combinations of backrests and base
types/styles.

K+N NOOK.SHELL AND K+N NOOK COUNTER
On starbase with or without castors,
with single piece or split-shell backrest.
