

MOVE.ME GETS EVERYTHING MOVING

ARMREST
Either open to the front
or back.

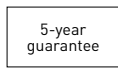

BEVELLED EDGE
The shell with a bevelled edge
is available in beech natural or
with a white finish.

FLEXIBLE SHELL
It is connected to the base
via pivot points that transfer
the user's movements
to the chair base.
This effect strengthens the back
and improves concentration.

WIRE FRAME
In chrome

GLIDES
For carpets or hard
floors.

1 | WIDE RANGE OF SHELLS

No upholstery, upholstered seat, upholstered seat and backrest, fully upholstered with all-round piping.

2 | USEFUL SURFACE

With folding writing tablets on the left or right, the chairs are perfect for fitting out lecture theatres or seminar rooms.

3 | WELL-ORGANISED

The chairs can be numbered for events. They are quick and easy to link in rows - and just as easy to take apart again.
