1 | ADAPTABLE

The mobile companions on sturdy casters are available in different heights and widths.

2 | ELECTRIFICATION

The cables are elegantly concealed behind the back of the caddy with a steel cover.

3 | SMALL VARIANT

For personal items or with hanging files for documents – with a padded lid, it makes a practical seat.

4 | DRAWERS

Quietly operated drawers with various partition options and storage trays are also lockable on request.

5 | POWER MODULE WITH SUPPLY CABLE

Charging station, including triple socket with 5 m power cord, 3 mm gray felt insert. Rear panel for cable management with recesses for storage.
