

TALO.YOU CONFIGURE YOUR SHOWROOM PACKAGE

Do you know how you'd like to work tomorrow? 2020 showed us all how fast work situations can change. We've reflected the speed at which the workplace is changing in our furniture design, and come up with solutions that are flexible enough to keep pace with the new requirements.

That's why you can configure our **customisable, scalable TALO.YOU desk system** not only to meet all your customer needs, but also to fit in with your showroom concept.
