3 | COSY UPHOLSTERED ELEMENTS AND SCREENS

In combination, they offer individual possibilities for withdrawal and regeneration. The use of two colours provides great scope for creative design.

4 | TAKING A FIRM STAND

You can choose between slim legs in solid oak or round steel legs in black, white or aluminium colour.

5 | DISCREET ELECTRICS

Concealed sockets provide easy access to power.

6 | COMFORTABLE STOOL

The upholstery makes for comfortable sitting.
