

ACTA.LOCKER

FOR THOSE WHO  
THINK BIG AND  
STORE SMART

# Modern working environments are created where flexibility and organisation come together.

The requirements for office furnishings are constantly changing. Workstations are shared, teams are reorganised and rooms are used multiple times.

**ACTA.LOCKER** responds to this with a flexible cabinet system for personal storage space. Individually configurable and with a clear design, it fits naturally into different room concepts and supports new forms of collaboration.

Products:  
ACTA.LOCKER, NET.WORK.PLACE Wave elements, MEET.IN, NET.WORK.PLACE Organic modules,

## CREATE STRUCTURE – AS SOON AS YOU ARRIVE

First impression, lasting effect: Whether in a company or coworking space - the first point of contact counts. **ACTA.LOCKER** helps to efficiently organise highly frequented reception areas: Safely store personal items and make a design statement at the same time. Modular, flexible to plan and seamlessly integrated, the system ensures organisation and security - **for a smooth start to the day and a professional, stylish reception.**

# A COMPARTMENT FOR EVERY IDEA.

Whether school, co-working or public area: ACTA.LOCKER adapts to its use. The lockers combine smart function with design freedom - for spaces that not only function, but also inspire.

**Colourful, modular, versatile. Simply safely stowed away, simply well thought out.**

Products:  
ACTA.LOCKER, CUBIX.A, MEET.IN

# YOUR SPACE. YOUR COMPARTMENT. YOUR START.

Those who work flexibly need reliability and orientation.  
**ACTA.LOCKER** brings structure to dynamic everyday office life: individually lockable compartments offer a safe place for personal belongings - regardless of desk sharing, team changes or hybrid working.

Open for change, made for people.

Products:
