

K+N STANDBY.OFFICE 2.0

WORKSPACE REDEFINED FOR YOUR OFFICE

MORE AGILITY. MORE EFFICIENCY. MORE FUN AT WORK!

More and more companies are embracing changes by adopting agile working methods – they are breaking down rigid processes and calling for increased flexibility, making it far easier to fall into step with the requirements of the digitised world. They allow more freedom for ideas and individuality – which includes short-term cooperation with changing project partners. It's already clear that the more agile a company can be, the greater its success.

König + Neurath has developed a solution for this new workplace culture: **K+N STANDBY.OFFICE 2.0**.
A space for new ideas to evolve.

“The first step towards a better working culture is the choice of the correct furniture”

MAXIMUM FLEXIBILITY IN THE OPEN SPACE

In today's workplace you often have to react quickly to changing demands. Maybe a few new members are joining your team due to the requirements of the current project.

K+N STANDBY.OFFICE 2.0 from König + Neurath provides you with the perfect solution: A fold-away mobile workstation complete with accessories, which provides acoustic screening even in a busy office and can adapt to the individual needs of each user – perfect for focused work and privacy.

Products:
K+N STANDBY.OFFICE 2.0, K+N BALANCE.CHAIR,
NET.WORK.PLACE Organic elements and PUBLICA Bench

WORKPLACE ON THE MOVE

It's time to get your company ready for more growth: Progressive working methods need flexible, space-saving solutions that encourage cooperation in ever-changing teams – and therefore support efficient working.

With **K+N STANDBY.OFFICE 2.0** you can make work possible in many different places – and this means improved agility. You mobilise your staff and create new spaces for creative and highly efficient cooperation.

Products:
K+N STANDBY.OFFICE 2.0, OKAY.II, QUICK.II, QUIET.BOX Organic,
NET.WORK.PLACE and NET.WORK.PLACE Organic elements

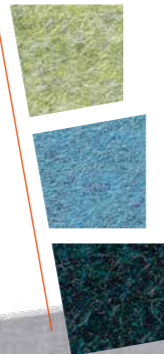

GREAT FEATURES ALL ROUND

CANOPY

Its acoustic properties reduce noise considerably.

REAR PANEL

The rear screen has acoustic properties, travels up or down with the mobile desk top – and can also be adjusted independently via a practical Bowden cable. Available in a choice of colours and fabrics.

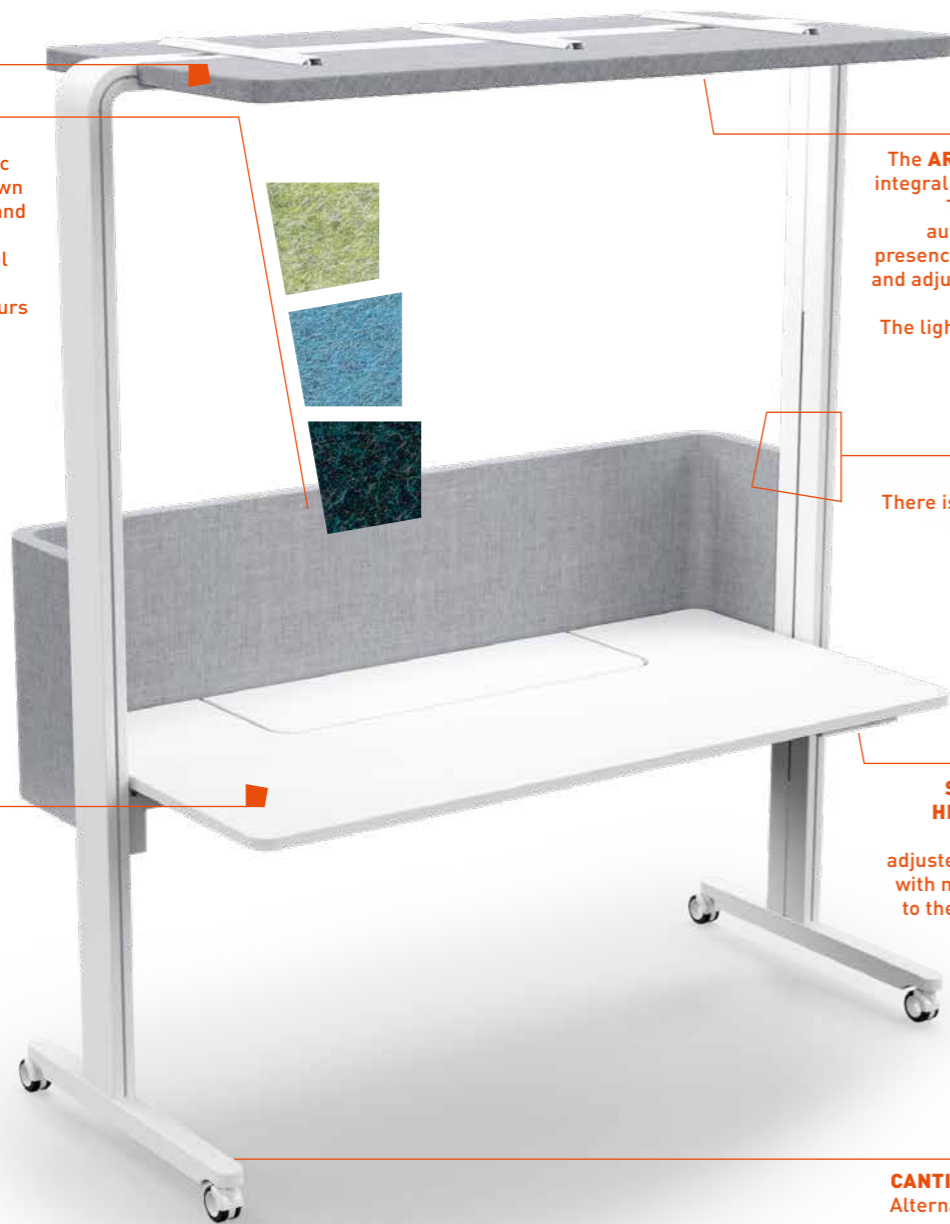

DESK TOP

The top can be adjusted without power or tools: The lift desk offers infinitely variable height adjustment within the range of 600 mm to 1400 mm. Power sockets, USB ports and wireless chargers can be integrated if required.

FOLDING MECHANISM

The two sections of the table flip up so that it is extremely easy to transport or store.

The **ARTEMIDE LIGHT** is an integral part of the structure. The light switches on automatically when the presence sensor is triggered and adjusts the brightness to the surroundings. The light is not retrofittable.

ALUMINIUM FRAME

There is a choice of white or black textured paint.

STRAIGHTFORWARD HEIGHT ADJUSTMENT

The desk top can be adjusted by hand easily and with minimal effort thanks to the integral gas spring.

CANTILEVER FOOT, STEEL

Alternatively available with glides.

QUIET.BOX Organic

Stand-alone furniture unit, easy to install with outstanding acoustic properties.

NET.WORK.PLACE Organic

Optimum conditions for a better way of working.

K+N BALANCE.CHAIR

Combines sitting and standing support functions in a single chair.

OKAY.II

Your companion for a dynamic day in the office.

QUICK.II

Healthy support – wherever you stand.

As a leading brand for office furniture and room systems, König + Neurath develops solutions for individual work cultures

Together with specialist retailers, König + Neurath supports its customers throughout the entire process of outfitting offices. With differentiated style collections, design-conscious furniture and digital solutions, the family-owned company, established in 1925, helps its customers to adapt successfully to the changing nature of the workplace.
