

NET.WORK.PLACE Wave LOUNGE SYSTEM FOR HOMELY WORKING ENVIRONMENTS

You can choose between **round tube** legs, **square tube** legs, or **wooden legs** made of oak. For the base, you have the choice of a **4-star aluminum base on glides** or a **5-star aluminum or plastic base on castors**.

With **three backrest heights** and **various base options**, the armchair is the perfect fit in any setting.

In addition to classic, **semi-transparent curtain fabric**, you can also choose from our range of **furniture fabrics** for your **curtains**.

Choose between **2-seater** or **3-seater** sofas, available with either **round** or **square tube** legs. For added flexibility, the **2-seater** option also comes with **braked castors**.

Precision craftsmanship for a **decorative piped finish** on the **outer seams** is available as an option.

Thanks to its **modular format**, NET.WORK.PLACE Wave can be configured in a **variety of layouts** to optimise space.

FABRICS AND CONFIGURATION EXAMPLES

An enhanced sense of wellbeing thanks to a more homely fabric selection with more focus on feel. Discover how we combine colour diversity with sustainability. Our high-end fabric collection offers you plenty of creative potential so that you can add a pop of colour to your office. **Go ahead and mix materials!**

FLEXIBILITY

All modular elements are easy to assemble and dismantle. Shelf elements can be retrospectively swapped out for seat sections.

1 | TAKING A FIRM STAND

Choose from three leg variants: round or square tube for a modern look, or oak wooden legs for a homely character.

2 | DISCREET ELECTRICS

A concealed socket provides easy access to electrical connections. It can be retrofitted and positioned as needed.

3 | STORAGE POSSIBILITIES

Replace the seat element with a magazine shelf to create a more relaxed seating arrangement using straight or curved elements. This can also serve as an end section.

4 | PRACTICAL WRITING TABLET

Positioned on the crosspiece, the tray swivels 360°. The tablet is available in white or black and can be retrofitted or removed as needed.

5 | STARBASE STYLES

Choose between a 4-starbase in aluminium on glides or 5-starbase in plastic or aluminium.
