NET.WORK.PLACE Organic Meeting tables + MOVE.MIX

VARIETY AND STYLE FOR A NEW WAY OF WORKING

Space and movement for people and ideas

Wherever work is being done, it is always better when people feel comfortable – in a meeting or in a quiet zone, sitting or standing, talking or thinking.

With our **NET.WORK.PLACE Organic**, chairs and stools from the **MOVE.MIX** range and **meeting tables**, you can create a perfect environment for every work situation. Whether for a spontaneous or more substantial discussion, for reading or dialogue, in the library or in the bistro: you can combine work with quality of life, fun with business, function with aesthetics. The lightweight construction, combinability and endless design options make the products an ideas-rich and versatile partner for a better, more beautiful world of work – your world of work.

ARRIVE. WELCOME. GREET.

The welcome is an important part of our culture. In the same way, one's arrival in the workspace plays an important role for our whole work culture: with **NET.WORK.PLACE Organic** you greet clients, employees, suppliers and visitors in style, in spaces which combine function with atmosphere. The best basis for good and lively teamwork.

Products: NET.WORK.PLACE Organic upholstered elements, side tables, NET.WORK.PLACE lounge chair and ACTA.CLASSIC cupboards with locker units

It is not just the major conferences which take your work a step forward - short, spontaneous conversations and informal meetings provide valuable ideas, if we allow them to. And we make sure that you don't have to do without either technology or style and atmosphere – with our wide range of **meeting tables** and MOVE.MIX chairs and stools.
