

PERSONAL BOX MULTIFUNCTIONAL AND MOBILE

MATERIAL

The Personal box in black is made of sustainable recycled PET material.
(ABS/PA6 GF30 recycled PET material)

FUNCTIONS

Multifunctional – can be used as storage or seat (with a mobile base on castors and a seat pad).

COLOUR

Available in black or white.

SECURITY

Lockable with interchangeable core cylinder or combination lock.

USE

Mobile with castors or fits directly to desk via adaptors.

PERSONAL BOX INFOCARD

Dimensions	425 x 280 x 465 mm
Net weight	7.5 kg without bracket
Max. load (with table top connection)	9 kg
Colour	black or white
Material	Plastic

1 | CONNECTION TO DESKTOP

The box can be connected to the left or right of a 25 mm top via a bracket. The connection kit is supplied. The box rotates through 180°, allowing it to be used on either side. Alternatively it can be attached to the side of the frame (only possible with TALO.YOU).

2 | SPECIFICATION/OPTIONS

Optional outfitting accessories include a key/phone holder and shelf.

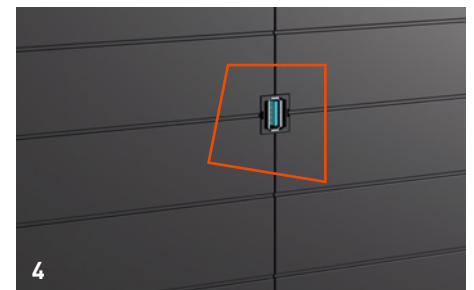

3 | LOCKS

The door features a "softclose" mechanism for silent closing. If required it can be fitted with an interchangeable core cylinder or combination lock.

4 | KEYSTONE

The plug connection system can be supplied with USB-A 3.0 Key Stone as an additional option.

5 | LEATHER PULL STRAP

Practical and ideal for flexible use.

6 | SEAT PAD

Seat pad as an alternative option, cut foam, in black.
