

Product information No. 3 / 2025

Product optimization:

TALO.YOU Meeting tables
Plane depth 1200 mm

Scheduling:

OFML data change
from May/ KW 22 2025

Product modification:

As part of compliance with stability criteria, in future TALO.YOU single tables will only be available as rectangular or boat-shaped tables with a tabletop depth of 1200 mm in conjunction with the A-leg frame. This applies to all height variants and table widths.
