PROGRAMME

Day 1 : Arrival in Toulouse.

Arrival in a Toulouse hotel. Free evening in the « Pink City », take time to discover its rich cultural heritage. Night and breakfast in Toulouse.

Day 2 : From Toulouse to Castelnaudary: 63 km

Point of departure : Paul Riquet's bridge.

Discover the "art of living" Toulouse style : its lilting accent, history and many hidden alleyways. Head out to Castelnaudary along the Canal du Midi, with a first stop in Avignonet, in the heart of the Lauragais, land of the Pastel flower, place of a battle against the Cathars. Pass over the highest point of the trip (190m high) and find several ancient canal locks such as the Lock of Sanglier, as well as many aqueducts, before reaching Castelnaudary. Castelnaudary is the city of cassoulet (a delicious local meat and bean stew) but perhaps this does not get your taste buds going so, as dinners are not included, feel free to choose another dish.

Night and breakfast in Castelnaudary.

Day 3 : From Castelnaudary to Carcassonne: 40 km

After a good night's rest, ride along the Canal du Midi, through a delight of many different villages and landscapes. Make your way to Saint Papoul's abbey, created in the 8th century, to discover the church in the middle of wheat fields. Then ride on until Bram passing quiet villages before heading for Carcassonne. Its architecture and the warmth of its narrow streets are waiting for you. You can enjoy the medieval walled town, which is also now listed among *UNESCO's World Heritage Sites*.
Night and breakfast in Carcassonne.

Day 4 : From Carcassonne to Homps : 42 km

Once you have drunk in enough of the secrets of Carcassonne, continue your trip and storm along to Homps and its port. Take your time to admire the buildings along the canal, a wonderful example being the Moulin de Trèbes. You can have a stop in Marseillette, an old Gallic village and in Capendu as well, to see its Romanesque church. Then continue on to arrive in Homps.
Night and breakfast in Homps.

Day 5 : From Homps to Beziers. 64 km

This typical south-east town, in love with wine, rugby and festivities, will open its arms to you. Cross the tunnel de Malpas and discover the oppidum of Ensérune (apart from Canal), to arrive by the spectacular 9 canal locks of Foncérannes, and then onto Béziers, Riquet's birthplace. The city shows you lots of examples of his talent.
Night and breakfast in Beziers.

Day 6 : From Beziers to Agde. 25km

For this last stage, cycle to Agde where the Herault River and Canal du Midi flow into the Mediterranean. The maritime's influences are important and the landscape is different. The volcanic black stone of Agde, the wild black bulls and white horses are typical of this region.
End of your trip.
