

The Cathar Trail on foot From Port-la-Nouvelle to Quillan

7 days, 6 nights, including 6 days of hiking

Level: 3/5

The castles proudly stand on rocky peaks. You follow the path, carved out eight centuries ago, to reach the summit. Initially serving as military posts guarding the Spanish border, these majestic buildings served as refuges for the Cathars. These are true fortresses where one would live, train, defend and worship. From the summit, you'll take in a wide panorama, all the better to spot the enemy arriving...Following in the footsteps of hundreds of faithful men and women, you walk along paths soaked in heritage.

Visit the most remarkable Cathar chateaux, nestled in magnificent landscapes: the limestone foothills of Plantaurel, the mountainous Ariégoises forests and the Plateau de Sault, the garrigue, vineyards of the Corbières and the smells of the Mediterranean.

Insurance :

In accordance with regulations, each participant in a LaRébenne trip must hold individual civil liability as well as individual multi-risk cover to protect themselves against incidents or accidents that may occur before or during the tour or bike trip.

Assistance mainly covers search and rescue, repatriation and medical expenses. It comes into play as soon as a medical report makes it possible to decide on repatriation. Repatriation, known as "premature return", can also be arranged for reasons other than the insured's own, such as the death of a family member (see cases in the insurance booklet). Beforehand, in regions far from medical facilities and difficult to access, you must agree to the organization of first aid using local resources (4X4, porters, horses, etc.).

This contract also covers loss, theft or delayed delivery of baggage, as well as interruption of stay.

The insurance protects against the financial risk of cancellation. It is very important to have this type of insurance in case of cancellation due to a health problem or for professional reasons.

We suggest you take out one of the five policies we have selected, bearing in mind that we only act as an intermediary between you and the insurer. Any additional insurance is invoiced per person and must be taken out on the day of booking:

- "Multirisque" contract (4.5%), minimum premium 15 euros:
Repatriation assistance + tour interruption + luggage + cancellation.

- "Cancellation" contract (2.5%), minimum premium 10 euros:
Cancellation only.

- "Repatriation assistance" contract (1.6%), minimum premium of 10 euros:
Repatriation assistance + tour interruption + luggage.

As far as "civil liability abroad" is concerned, only French residents are covered.
