SCHEDULE

Day 1 : Carcassonne :

Arrival and check-in at the hotel or guest house with swimming pool, depending on availability. Night and breakfast in Carcassonne.

Day 2 : Carcassonne to Castelnaudary : 40 km

You'll leave the city of Carcassonne for a while to roll along the Midi Canal. If you feel daring enough for a detour, head away from the Midi Canal to ride through valleys of wheat and rapeseed, in the direction of the Saint Papoul Abbey, founded in the 8th century. Admire its 19th century church and cloister, a veritable catalog of fantastical, Gothic-style sculptures. Surrounded to the east by the Black Mountain and to the southwest by the Pyrenees, head for the port of Bram, an authentic "circulade" (medieval Languedoc village built in a circle around a church or fortified castle) from the year one thousand. Take a leisurely ride along the road lined with villages that sometimes date back 2000 years and structures reflecting the ingenuity of Paul Riquet, such as the lock at Beteil and the double lock at Lalande. Spend the night in a hotel in Castelnaudary.

Day 3 : Castelnaudary to Revel : 45 km

Still heading in the direction of Toulouse, you'll ride in the morning along the Midi Canal for 12 km to then plunge deep into the Lauraguais countryside. You'll arrive at Lake Lenclas where you can stop for a swim. Here begins the bucolic bike path along the Rigole all the way to Lake St Ferreol, where you can also swim (a short but difficult climb). After enjoying the beautiful surroundings of the lake, you will ride down to Revel, where you will spend the night in a hotel.

Day 4 : Revel to Carcassonne : 47 km

After visiting the city of Revel, classified "City of Art and Crafts," and strolling along the famous medieval fortified town founded in 1342 by Philip VI of Valois, you'll experience the beautiful villages of Saissac and its castle, as well as Montolieu. Then you'll reach the Midi Canal again to head back to Carcassonne, where you will spend the night in a hotel.

Insurance :

In accordance with regulations, each participant in a LaRébenne trip must hold individual civil liability as well as individual multi-risk cover to protect themselves against incidents or accidents that may occur before or during the tour or bike trip.

Assistance mainly covers search and rescue, repatriation and medical expenses. It comes into play as soon as a medical report makes it possible to decide on repatriation. Repatriation, known as "premature return", can also be arranged for reasons other than the insured's own, such as the death of a family member (see cases in the insurance booklet). Beforehand, in regions far from medical facilities and difficult to access, you must agree to the organization of first aid using local resources (4X4, porters, horses, etc.).

This contract also covers loss, theft or delayed delivery of baggage, as well as interruption of stay.

The insurance protects against the financial risk of cancellation. It is very important to have this type of insurance in case of cancellation due to a health problem or for professional reasons.

We suggest you take out one of the five policies we have selected, bearing in mind that we only act as an intermediary between you and the insurer. Any additional insurance is invoiced per person and must be taken out on the day of booking:

- "Multirisque" contract (4.5%), minimum premium 15 euros:
Repatriation assistance + tour interruption + luggage + cancellation.

- "Cancellation" contract (2.5%), minimum premium 10 euros:
Cancellation only.

- "Repatriation assistance" contract (1.6%), minimum premium of 10 euros:

As far as "civil liability abroad" is concerned, only French residents are covered.
