## **Day 2 : Arcachon – Biscarrosse : 50 km**

Today, you set off on a great crossing of the Landaise forest; playing leapfrog with the dunes along the way. Shortly before Biscarrosse beach, the Vélodyssée passes seamlessly from the Gironde into Les Landes. Warm and welcoming, gastronomy remains central to landaise traditions. Let yourself be tempted by these delights in Biscarrosse.

Night in the town of Biscarrosse.

## **Day 3 : Biscarrosse – Mimizan Plage : 40.5 km**

This stage takes you along the banks of the Lac de Biscarrosse: a base for the assembly and testing of the largest French seaplanes. Perhaps you will be lucky enough to see some? You will also cycle between the 'étangs' (saltwater ponds) whose blue hue gradually replaces that of the sea. These are key reserves for biodiversity: protected plant, bird and mammal species. You eventually arrive at the seafront resort of Mimizan Plage.

## **Day 4 : Mimizan Plage – Vieux Boucau : 62 km**

After the liveliness of Mimizan Plage, find peace in the pine forests. Wood cut from the forest near the town is used to produce Kraft paper and packaging. This connecting stage towards the ocean provides you with the chance to take a relaxed ride in the shade of the forest whilst enjoying the odor of the pine trees. And for a change from the ocean, why not take a dip in the Lac de Léon ? After, you take a gentle ride along the old Léon to Soustons railway line to arrive at Vieux Boucau.

Night in Vieux-Boucau-les-Bains

## **Day 5 : Vieux Boucau – Biarritz : 59 km**

Vieux Boucau stands at the former mouth of the River Adour and it is from here that you climb back in the saddle to follow the coast and what constitutes the longest sandy beach in Europe (106 km), ideal for lovers of sun, dips in the sea and drama ! Because this is the kingdom of surf and waves ! You are welcomed into the Basque country with, as always, an ocean backdrop. You reach the iconic sunshine resorts of Hossegor and Capbreton, the only fishing port in the Landes region. As you cross Bayonne, allow yourself to get lost in its streets before reaching Biarritz and its large beach.

Biarritz - one of the most prestigious seaside resorts on the Atlantic coast: with its huge beach, casino, clifftops and the Esplanade de la Vierge...head to the Marché dans les Halles where piment d'Espelette, foie gras and landaise asparagus await you. ## Insurance :

In accordance with regulations, each participant in a LaRébenne trip must hold individual civil liability as well as individual multi-risk cover to protect themselves against incidents or accidents that may occur before or during the tour or bike trip.

Assistance mainly covers search and rescue, repatriation and medical expenses. It comes into play as soon as a medical report makes it possible to decide on repatriation. Repatriation, known as "premature return", can also be arranged for reasons other than the insured's own, such as the death of a family member (see cases in the insurance booklet). Beforehand, in regions far from medical facilities and difficult to access, you must agree to the organization of first aid using local resources (4X4, porters, horses, etc.).

This contract also covers loss, theft or delayed delivery of baggage, as well as interruption of stay.

The insurance protects against the financial risk of cancellation. It is very important to have this type of insurance in case of cancellation due to a health problem or for professional reasons.

We suggest you take out one of the five policies we have selected, bearing in mind that we only act as an intermediary between you and the insurer. Any additional insurance is invoiced per person and must be taken out on the day of booking:

- "Multirisque" contract (4.5%), minimum premium 15 euros:  
Repatriation assistance + tour interruption + luggage + cancellation.

- "Cancellation" contract (2.5%), minimum premium 10 euros:  
Cancellation only.

- "Repatriation assistance" contract (1.6%), minimum premium of 10 euros:  
Repatriation assistance + tour interruption + luggage.

As far as "civil liability abroad" is concerned, only French residents are covered.
