Insurance :

In accordance with regulations, each participant in a LaRébenne trip must hold individual civil liability as well as individual multi-risk cover to protect themselves against incidents or accidents that may occur before or during the tour or bike trip.

Assistance mainly covers search and rescue, repatriation and medical expenses. It comes into play as soon as a medical report makes it possible to decide on repatriation. Repatriation, known as "premature return", can also be arranged for reasons other than the insured's own, such as the death of a family member (see cases in the insurance booklet). Beforehand, in regions far from medical facilities and difficult to access, you must agree to the organization of first aid using local resources (4X4, porters, horses, etc.).

This contract also covers loss, theft or delayed delivery of baggage, as well as interruption of stay.

The insurance protects against the financial risk of cancellation. It is very important to have this type of insurance in case of cancellation due to a health problem or for professional reasons.

We suggest you take out one of the five policies we have selected, bearing in mind that we only act as an intermediary between you and the insurer. Any additional insurance is invoiced per person and must be taken out on the day of booking:

- "Multirisque" contract (4.5%), minimum premium 15 euros:
Repatriation assistance + tour interruption + luggage + cancellation.

[See the complete contract](#)

- "Cancellation" contract (2.5%), minimum premium 10 euros:
Cancellation only.

- "Repatriation assistance" contract (1.6%), minimum premium of 10 euros:
Repatriation assistance + tour interruption + luggage.

As far as "civil liability abroad" is concerned, only French residents are covered.
