

## The Route of Stevenson, Second part From Chasseradès to St Jean du Gard

**Self-guided circuit, with double bedroom or 'gîte', 7 days 6  
nights with 6 days of hiking**

Level: 2/5

Depart from Chasseradès, in the Lozère, and follow the second part of the journey of Robert Louis Stevenson and his donkey Modestine, who hiked this route in 1878.

This second stage of the Route of Stevenson will transport you through the Cévennes, crossing Mont Lizère (1699m), Bougès (1421m), the Mimente valley and across moors, forests and fields.

This trip is also an opportunity to discover and gain an understanding of the history of the Camisards, via emblematic French Protestant villages (Pont-de-Monvert, Florac, St Germain de Calberte, etc.).

Like Robert Louis Stevenson, you will finish your hike in Saint-Jean-du-Gard, the regional capital of the Camisards.

# SCHEDULE

## **Day 1 : From Chasseradès to Bleymard :** 17 km - 5h - Elevation: + 300 m

The route starts by climbing up through the Lizard forests, towards the top of Goulet (1413m), offering a beautiful panorama over Mont Lozère. Following tracks alongside the streams that feed the Tarn river, you will eventually reach the hamlets of Alpiers and Le Bleymard. You are now at the foot of Mont Lozère.

## **Day 2 : From Bleymard to Pont de Montvert :** 19 km - 5h30 - Elevation: + 650 m

This is the stage with the biggest climb! Ascend Mont Lozère, on to the Summit of Finiels, passing through forests, moors and fields to arrive in Les Cévennes. An exceptional panorama opens up to you. The route continues on, down the southern slope, passing through the small hamlet of Finiels towards the Pont de Montvert, the village from which the Camisards uprising began in 1702.

## **Day 3 : From Pont de Montvert to Florac :** 28.5 km - 7h - Elevation: + 550 m

The longest stage of your hike takes you across the River Tarn to climb the third highest massif of the Cévennes National Park: Bougès (1421m) stands in the heart of the Camisards. Following the Col du Sapet and Bedouès, then along the River Tarn, you finally arrive at Florac, the 'capital' of the Cévennes.

## **Day 4 : From Florac to Cassagnas :** 18 km - 5h - Elevation: + 150 m

Following the old railway through the Mimente valley, you reach St Julien d'Arpaon and its famous castle. You then arrive at Cassagnas.

## **Day 5 : From Cassagnas to Saint Germain de Calberte :** 15 km - 5h - Elevation: + 370 m

This short stage takes you across the Cévennes National Park, through the Fontmort forest and down towards the Col de la Pierre Plantée, before arriving at Saint-Germain-de-Camberte.

## **Day 6 : From Saint Germain de Calberte to Saint Jean du Gard :** 22 km - 5h30 - Elevation: + 375 m

The last leg of your hike following in the footsteps of Robert Louis Stevenson takes you first to Saint-Etienne-Vallée-Française to cross the Gardon valley. Passing by the Col de Saint-Pierre, you continue your crossing of the Camisards, before finishing your hike with a descent into Saint-Jean-du-Gard, a typical village of the lower Cévennes valleys, and the place where Robert Louis Stevenson ended his adventure

## Insurance :

In accordance with regulations, each participant in a LaRébenne trip must hold individual civil liability as well as individual multi-risk cover to protect themselves against incidents or accidents that may occur before or during the tour or bike trip.

Assistance mainly covers search and rescue, repatriation and medical expenses. It comes into play as soon as a medical report makes it possible to decide on repatriation. Repatriation, known as "premature return", can also be arranged for reasons other than the insured's own, such as the death of a family member (see cases in the insurance booklet). Beforehand, in regions far from medical facilities and difficult to access, you must agree to the organization of first aid using local resources (4X4, porters, horses, etc.).

This contract also covers loss, theft or delayed delivery of baggage, as well as interruption of stay.

The insurance protects against the financial risk of cancellation. It is very important to have this type of insurance in case of cancellation due to a health problem or for professional reasons.

We suggest you take out one of the five policies we have selected, bearing in mind that we only act as an intermediary between you and the insurer. Any additional insurance is invoiced per person and must be taken out on the day of booking:

- "Multirisque" contract (4.5%), minimum premium 15 euros:  
Repatriation assistance + tour interruption + luggage + cancellation.

- "Cancellation" contract (2.5%), minimum premium 10 euros:  
Cancellation only.

- "Repatriation assistance" contract (1.6%), minimum premium of 10 euros:  
Repatriation assistance + tour interruption + luggage.

As far as "civil liability abroad" is concerned, only French residents are covered.
