

# The path of the “Good Men” : Integral Cross-border from Montségur to Berga

**7 days - 6 nights - including 7 walking days**

**Level: 3/5**

From Ariège to the Spanish Catalonia, cross the Pyrenean passes and follow the tracks of the last Cathars... During the Middle Ages, the Pyrenees – far from the French and Spanish kingdoms – was a region of commercial and cultural exchange. Goods, peoples and ideas have crossed the mountains and made the lords of Ariège and Catalonia become powerful.

In this time of spiritual freedom, the Cathar religion's expanded itself in southern France. But the Catholics have intervened. A few years after the fall of Montségur, the Bonshommes – who were the last Cathar apostles – ran away from Ariège and the « Holy Inquisition », to finally find refuge in Catalonia.

The Bonshommes path follows the tracks taken by the Cathars. Along this path you discover the Pyrenean culture, hospitable villages, Romanesque churches as well as the grandiose scenery of the Pyrenees.

We invite you to follow the footsteps of the “Good Men” along this border path from France to Spain. Emotions and beautiful landscapes guaranteed.

### Insurance :

In accordance with regulations, each participant in a LaRébenne trip must hold individual civil liability as well as individual multi-risk cover to protect themselves against incidents or accidents that may occur before or during the tour or bike trip.

Assistance mainly covers search and rescue, repatriation and medical expenses. It comes into play as soon as a medical report makes it possible to decide on repatriation. Repatriation, known as "premature return", can also be arranged for reasons other than the insured's own, such as the death of a family member (see cases in the insurance booklet). Beforehand, in regions far from medical facilities and difficult to access, you must agree to the organization of first aid using local resources (4X4, porters, horses, etc.).

This contract also covers loss, theft or delayed delivery of baggage, as well as interruption of stay.

The insurance protects against the financial risk of cancellation. It is very important to have this type of insurance in case of cancellation due to a health problem or for professional reasons.

We suggest you take out one of the three policies we have selected, bearing in mind that we only act as an intermediary between you and the insurer. Any additional insurance is invoiced per person and must be taken out on the day of booking:

- "Multirisque" contract (4.5%), minimum premium 15 euros:  
Repatriation assistance + tour interruption + luggage + cancellation.

[See the complete contract](#)

- "Cancellation" contract (2.5%), minimum premium 10 euros:  
Cancellation only.

[See the complete contract](#)

- "Repatriation assistance" contract (1.6%), minimum premium of 10 euros:  
Repatriation assistance + tour interruption + luggage.

As far as "civil liability abroad" is concerned, only French residents are covered.
