

Great crossing of the Pyrenees by MTB (South side) Crossing of the Catalonia

6 days, 5 nights, 6 days of MTB

Level: 3/5

From the Mediterranean Sea in Banyuls, ride your MTB towards West and go across the Catalonia, until Baga in the Sierra de Cadi massif. A superb journey across the mountains of Albères, the Alta Garrotxa, and the Sierra of Montgrony and of Cadi-Moixero... and still under the Mediterranean sun.

We stay close to the highest peaks of the Pyrenees, to find our trails, rolling to very technical but always in beautiful landscapes. Every night, our accommodation is selected to have a nice rest in a typical Catalan accommodation.

The goal is not to reach the Sierra de Cadi as fast as possible, but by the most beautiful trails! A whole crossing without car transfer, only real MTB and a new playground at each stage. Sun, change of scenery, technique and beautiful landscapes are the ingredients to make this trip unique!

Strengths

- A beautiful crossing of the South side of Pyrenees
- A unique and magical MTB trip
- The Mediterranean sun
- A night in a 4* hotel

SCHEDULE

Day 1 : Banyuls - Massif des Albères : 63 km - Elevation: + 1380 m - 1210 m

Departure from Banyuls-sur-Mer, home of the famous seaside aperitif. The route begins with a gradual climb up a track lined with cork oaks to a ridge, the highest point of the day. The final 12km descent is on a shady, rolling, sometimes technical trail, ideal for finishing the day in style. Then a link via the pretty tracks of the hinterland to arrive in a pretty Catalan village. Overnight in a magnificent hotel**** surrounded by olive trees in a typical Catalan village.

Hotel

Day 2 : Natural Reserve of Muga : 54 km - Elevation: + 1450 m - 1400 m

In the morning, you ride in the shade of the holm oaks and enter a wild world. This is the pampas and it's beautiful. A rolling stage on ochre earth amidst dolmens and vestiges of Roman times. Overnight in a hostel in a beautiful historic village.

Hostal

Day 3 : Alta Garrotxa EAST : 47 km - Elevation: + 1605 m - 945 m

A rolling start before the Bassegoda mountains quickly come into view. It's a route off the beaten track, in a scenery that's more than just a change of scenery. In the afternoon, after a few sweats, a well-deserved descent of 700m negative on an unusual single. Night in a hostel.

Day 4 : Alta Garrotxa WEST : 48 km - Elevation: + 1630 m - 1180 m

Admire the wealth of Romanesque art on the way up to the first pass, with a technical finish and a few trial sections. Short, steep, technical descent... Unleash your riding genius. Climb a technical track to reach a ridge where it becomes difficult to look ahead, torn between the high border peaks to the right and to the left the flight of birds of prey against the limestone cliffs. Finally comes the descent, the one that leaves you with the best memories and which we'll talk about over a good "cerveza" in the village. Night in a hotel.

Hotel

Day 5 : Sierra Cavallera y Castellar de N'Hug : 56 km - Elevation: + 2200 m - 2295 m

Follow the course: due east! We're leaving the Girona region to tackle the Ripollés mountains. Higher and more open, the landscape changes and so does the mountain bike profile. You'll soon reach the crests of the Sierra de Cavallera and Sierra de Montgrony. The mountain pastures are yours to explore, descending on single-track and playful trails between box trees and thorn bushes, and making your mark on the ochre earth of the mountains. You'll reach a village perched at the foot of the cliffs. Overnight in Castellar.

Hostal

Day 6 : Sierra de Moixero : 54 km - Elevation: + 1300 m - 2060 m

A multicoloured landscape surrounds you, and it's at the second pass that the view completely opens up: the Sierra de Cadi and the famous Pedraforca rise proudly in the distance. A beautiful, technical and fun descent, followed by an exceptional single track, brings this tour to a close.

Transfer back to Banyuls and end of the tour.

Insurance :

In accordance with regulations, each participant in a LaRébenne trip must hold individual civil liability as well as individual multi-risk cover to protect themselves against incidents or accidents that may occur before or during the tour or bike trip.

Assistance mainly covers search and rescue, repatriation and medical expenses. It comes into play as soon as a medical report makes it possible to decide on repatriation. Repatriation, known as "premature return", can also be arranged for reasons other than the insured's own, such as the death of a family member (see cases in the insurance booklet). Beforehand, in regions far from medical facilities and difficult to access, you must agree to the organization of first aid using local resources (4X4, porters, horses, etc.).

This contract also covers loss, theft or delayed delivery of baggage, as well as interruption of stay.

The insurance protects against the financial risk of cancellation. It is very important to have this type of insurance in case of cancellation due to a health problem or for professional reasons.

We suggest you take out one of the three policies we have selected, bearing in mind that we only act as an intermediary

between you and the insurer. Any additional insurance is invoiced per person and must be taken out on the day of booking:

- "Multirisque" contract (4.5%), minimum premium 15 euros:
Repatriation assistance + tour interruption + luggage + cancellation.

[See the complete contract](#)

- "Cancellation" contract (2.5%), minimum premium 10 euros:
Cancellation only.

[See the complete contract](#)

- "Repatriation assistance" contract (1.6%), minimum premium of 10 euros:
Repatriation assistance + tour interruption + luggage.

As far as "civil liability abroad" is concerned, only French residents are covered.
