SCHEDULE

Day 1 : Arrival in Orléans. :

Check-in at your accommodation. Set out to discover the capital of medieval France by wandering through the narrow streets of the old town, where architectural heritage can be found around every corner.

Day 2 : From Orléans to Beaugency : 32 km

Leave the city of Joan of Arc via the Pont de l'Europe, a remarkable feat of engineering that marks the beginning of your journey along the Loire.

Nature takes centre stage at the confluence of the Loiret and the Loire rivers, where you will cycle through the Saint-Mesmin nature reserve. The first château you will encounter is Meung-sur-Loire, with its beautiful French-style gardens. You will then stop in Beaugency, where its legendary bridge will lead you into the heart of this picturesque medieval town.

Day 3 : From Beaugency to Blois : 47 km

Cross to the other side of the river to reach the jewel of the Loire Valley: Château de Chambord.

This masterpiece of Renaissance architecture, commissioned by Francis I, awaits you, nestled within its vast 5,000-hectare estate. The famous double-helix staircase will take you up to the terraces overlooking the forest of chimneys. You may be lucky enough to spot a herd of deer along the cycle paths leading to the royal city of Blois.

Day 4 : Cycling loop from Blois : 34 km

Each château has its own story, its kings and its symbols. Château de Blois combines the emblem of Louis XII, the porcupine, with that of Francis I, the salamander. It is a true architectural panorama, with its four wings built in different styles surrounding the main courtyard. After visiting the Royal Château of Blois, hop back on your bike and head towards Cheverny. The cartoonist Hergé drew inspiration from it when creating Château de Moulinsart in the adventures of Tintin.

Day 5 : From Blois to Chenonceau : 49 km

Ride to Château de Chaumont-sur-Loire and its gardens, following the banks of the Loire. The château terraces offer one of the finest views over the wild Loire River. Admire the estate's gardens, redesigned every year by creators from around the world.

Continue your journey towards Chenonceau. You will briefly leave the Loire to follow one of its tributaries, the Cher River. The "Ladies' Château" is inseparable from the river it gracefully spans. Explore the gardens shaped by the influence of Diane de Poitiers and Catherine de Médicis.

Day 6 : From Chenonceau to Tours : 35 km

Return to the banks of the Loire at Amboise. The royal château of Charles VIII and Francis I dominates the landscape. Don't miss the Clos Lucé, the final residence of Leonardo da Vinci, one of the greatest minds of the Renaissance. Tours welcomes you with its historic districts, centred around the famous Place Plum', a beloved spot among the people of Tours.

Be sure to sample the local cuisine in one of the city's many riverside guinguettes: Loire fritters or pike-perch with beurre blanc sauce, accompanied by a chilled glass of wine, are waiting to be enjoyed!

End of the tour.

Insurance :

In accordance with regulations, each participant in a LaRébenne trip must hold individual civil liability as well as individual multi-risk cover to protect themselves against incidents or accidents that may occur before or during the tour or bike trip.

Assistance mainly covers search and rescue, repatriation and medical expenses. It comes into play as soon as a medical report makes it possible to decide on repatriation. Repatriation, known as "premature return", can also be arranged for reasons other than the insured's own, such as the death of a family member (see cases in the insurance booklet). Beforehand, in regions far from medical facilities and difficult to access, you must agree to the organization of first aid using local resources (4X4, porters, horses, etc.).

This contract also covers loss, theft or delayed delivery of baggage, as well as interruption of stay.

The insurance protects against the financial risk of cancellation. It is very important to have this type of insurance in case of cancellation due to a health problem or for professional reasons.

We suggest you take out one of the three policies we have selected, bearing in mind that we only act as an intermediary between you and the insurer. Any additional insurance is invoiced per person and must be taken out on the day of booking:

- "Multirisque" contract (4.5%), minimum premium 15 euros:
Repatriation assistance + tour interruption + luggage + cancellation.

[See the complete contract](#)

- "Cancellation" contract (2.5%), minimum premium 10 euros:
Cancellation only.

[See the complete contract](#)

- "Repatriation assistance" contract (1.6%), minimum premium of 10 euros:
Repatriation assistance + tour interruption + luggage.

As far as "civil liability abroad" is concerned, only French residents are covered.
