

Im group now publishes quarterly trading updates

Amsterdam/Chiasso, 6 May 2019 – Im group, a European leader in the online travel and leisure industry, now publishes its latest business figures four times a year.

In addition to the half-year and annual results, the company will in future also provide a timely insight into developments in the first and third quarters. The Q1 and Q3 releases provide information on the Group's key performance indicators, including Gross Travel Value, number of bookings, revenue and EBITDA. Complete information on the balance sheet and the income statement will continue to be published as part of the half-year and year-end results.

The announcement for the first quarter of 2019 will be released on May 16. The complete financial calendar with an overview of all financial publications of Im group can be found under the following link: <https://imgroup.lastminute.com/investor-relations/financial-calendar.aspx>
