

lm group lifts guidance, stimulated by strong summer months

Amsterdam / Chiasso, 26 October 2018 – lm group, a European leader in the online travel and leisure industry, today updated the guidance for the full-year 2018.

Core Business EBITDA is expected to reach € 36-38M (former guidance was € 32-34M) in 2018 vs. € 27.5M in 2017, +33-38% year-over-year. Group Revenues are expected to be in line with expectations thus above € 280M.

Main reason for the improved guidance is that the Group's operations in the high-volume summer months performed very well, thanks to the OTA and, primarily, its Holidays business. Dynamic Packages and Tour Operator Packages continued to develop strongly, as showed already in the first half-year 2018.

The META business keeps growing at a good pace.
