

MODULARIA ENTRY DOOR

Open and close your recreational vehicle with the Modularia two-point lock entry door. The Modularia's innovative modular vein allows endless possibilities to customize down to the smallest detail. This door is equipped with the Lippert Lock for maximum reliability.

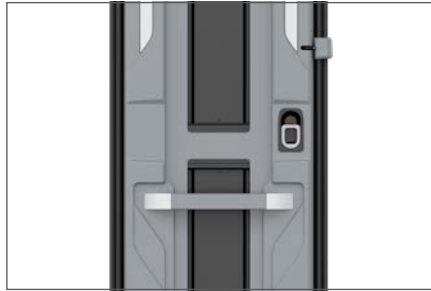

THE MODERN CUSTOMIZABLE DOOR SOLUTION

Customizable

Up to two windows, two pockets, a trashcan, valuable friezes and aluminum alloy handles

Multiple windows

Multiple windows allow more natural light into the vehicle

Integrated storage

Includes built-in trash can and storage compartments

Additional Features

- Electric (standard) or manual (optional), two-point, steel locking system constructed from steel for reliable strength
- Semi-hidden hinges for a clean look on the outside of the RV
- Locking system and hinges certified with ECE R11
- Integrated window with flyscreen and blind to filter light and provide privacy
- Features 'door open' signal switch for enhanced safety
- Thermoformed, insulated construction for a secure, tight fit
- Multiple windows allow more natural light into the vehicle
- Includes built-in trash can and storage compartments

Available options:

- Modular pocket system
- With or without gas spring
- Single- or double-pane windows

| Color | Number of Hinges | ↔ Cutout Dimension Ranges | | |
|--------------|------------------|---------------------------|--------|---------------|
| | | ↗ H | ↗ W | Corner Radius |
| White / Grey | 2 | 1.920 mm | 650 mm | 89 mm |
