

TRANSITO WINDOW SYSTEM

Transition to a lighter view with the Transito non-integrated, hinged window system. The Transito offers an exclusive 3D-curved design to suit the back doors of your Ford Transit and allows more light inside.

TRANSITION TO A LIGHTER VIEW

Exclusive design

Exclusive 3D curved design with smooth edges for the back doors of a Ford Transit H3

Custom screen print

Custom screen print design possible

Standard part selection

Standard parts can be customized based on the unique configuration of the window system

Additional Features

- Top-hung hinged window system
- Double pane, cast acrylic window with a flat inner sheet and thermoformed outer sheet
- Easy-to-use, aluminum tubular or automatic stays allow for opening in every position, with or without catch
- Integrated Polyfix catches to easily open and close the window with an optional lock button to increase vehicle security
- Screw or glue connected aluminum hinge bar
- Durable, waterproof rubber profile guarantees a watertight seal between the wall and window system
- Locking plates feature a special position for extra ventilation while sleeping or away from the vehicle
- Entire system is maintenance-free and easy to clean

Setting up your Transito

Contact our sales department to customize your complete window system, including sizes, standard parts, system options and accessories.

Step 1: The basics

We will need to know wall aperture and thickness. The table below provides a range of available options.

Step 2: Standard parts

The sales representative will walk you through the customization of standard parts required for installation and operation, including catches, stays, rubber seal, insert band, locking plates, hinge bar and more.

Standard	Other Options
Automatic stays with Polyfix installation	Tubular stays with Polyfix installation
Catches without lock button	Catches with lock button

Step 3: System options

Customize the design with the options below.

	Standard	Other Options		
Window color (outer sheet)	Privacy black	Grey	Grey	Privacy black
Window color (inner sheet)	Transparent	Transparent	Opal	Opal
Screen print color	--	Black	Silver metallic	Graphite
Screen print design	--	Optional or customized		
Hinge bar color	Black	Silver metallic	Graphite	--

Step 4: Accessory options

Complete the system with add-on accessories.

- Interior blind and flyscreen
