

**CARAVANNING COMPANY  
OVERVIEW & CAPABILITIES**

## Our History

Founded in 1956 by Larry Lippert, the company began as a galvanized and aluminum roofing business for the manufactured housing industry. Today, Lippert has evolved into an industry leader of premium components to the recreational vehicle, marine, automotive, commercial vehicle and building products industries.

## Our Company

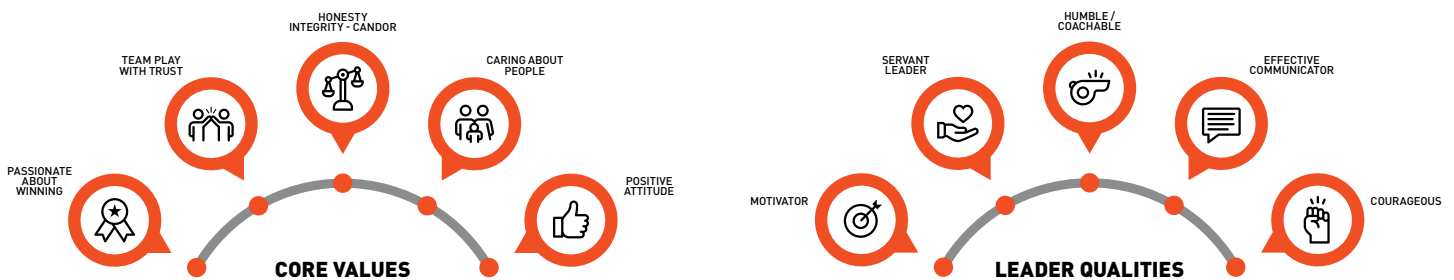

Lippert started its activities in Europe in 2016 acquiring some of the most successful companies in the Recreational Vehicle sector, followed by companies from the Railway and Marine sector. The Caravanning and Rail divisions find their headquarters in the heart of Tuscany, Italy. Here, in addition to the production facilities and administrative offices, is the central commercial division that coordinates the European offices in the caravanning sector, including the Dutch brand Polyplastic (2020) and the German brand Schaudt (2021).

## Vision

Make business a force for good in the world.

## Mission Statement

Making lives better by developing meaningful relationships with co-workers, customers, and the community.

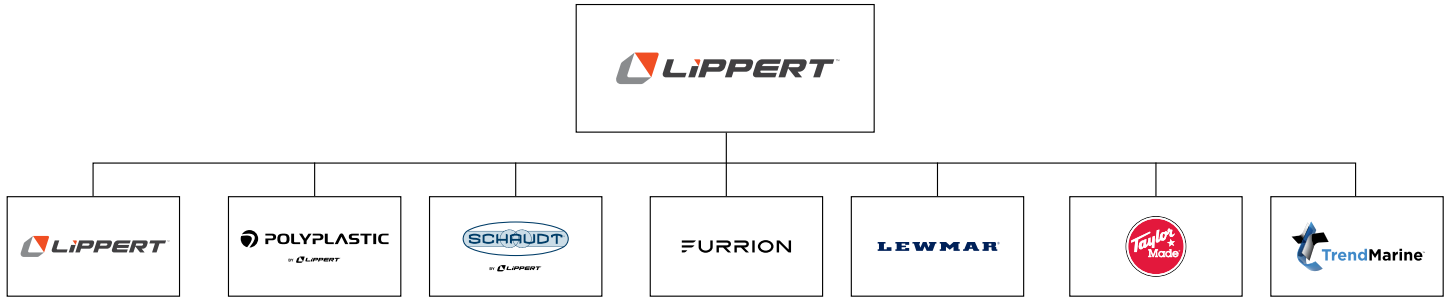

## About Lippert EMEA (Europe, Middle East, Africa)

In 2016, Lippert™ began to focus its attention and resources in the European Caravanning Market acquiring some of the most successful companies in the industry. Headquartered in Tuscany, Italy, Lippert's manufacturing capabilities include entry door manufacturing and lamination, bed lifts, pop up roofs for camper vans, slide-outs, table legs, TV Brackets, bike carriers, entry steps, blinds and flyscreens. Ever advancing in this market, Lippert has also expanded into the Netherlands by acquiring the Dutch brand Polyplastic which specializes in vinyl, aluminum and frameless windows. Most recently, Lippert acquired the German brand Schaudt, a manufacturer of power management, battery chargers and electronic control systems.

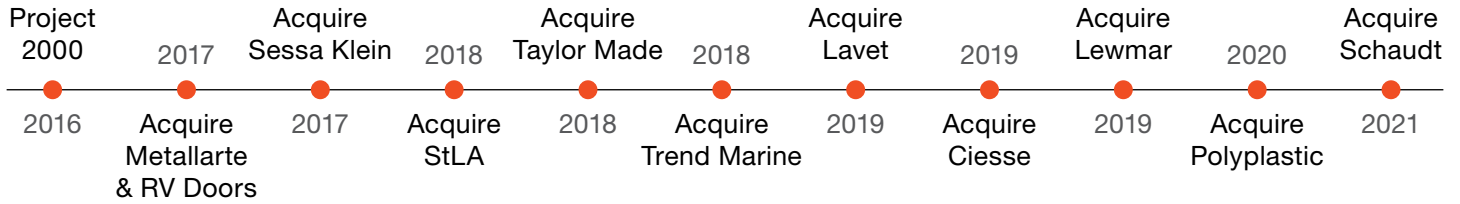

As Lippert expanded into the European Caravanning Market, several strategic acquisitions were made in the Global Rail Industry, creating the Lippert Rail Division, manufacturing glass windows and interior furniture for trains. In the Rail Sector, Lippert's continued focus is on highly engineered products and extensive research of innovative solutions, offering these products to vehicle owners, operators, manufacturers and refurbishers, industry subcontractors, authorities and organizations.

Lippert also made a substantial investment in the Global Marine Market with the acquisition of the Lewmar Limited group of entities, an industry leader in hardware, winches, hydraulics, windlasses, anchors, thrusters, steering systems, hatches and portlights that suits every vessel from the smallest day fisher to largest mega-yacht.

# OUR PRODUCTS

## Space On Demand

Open up your customer's camper van with our integrated, Vela pop-up or get space-on-demand with a Lippert slide-out. Our award-winning SmartRoom slide-out increases living space, all the while remaining compact when driving.

## Windows & Roof Vents

Polyplastic by Lippert caravan and campervan windows provide a clear view of the adventure, featuring high-quality construction and intuitive functionality coupled with seamless integrated designs.

## Bike Carriers

Let your customers bring their bikes along for the adventure. We offer several different styles to integrate with the layout of the campervan. Our quality designs provide your customers with a reliable solution to confidently transport their bikes.

## Doors & Service Doors

Lippert doors are durable, reliable and stylish to perfectly complement each vehicle model. We offer a range of standard sizes and configurable options, including various window sizes. We also offer service door options for worry-free cargo storage.

## Steps

Our broad range of entry steps are available in steel, aluminum and hi-tech polymer with manual and power configuration options to suit every need. We offer single, double and triple steps for caravans and motorcaravans.

## Blinds & Flyscreens

Shut out the harsh sunlight and create a cool, peaceful ambiance inside with our window blinds. We offer a complete selection of various sizes, styles and functional designs. Also check out our Vanscreen door screen for a bug-free interior.

# OUR PRODUCTS

## Beds, Accessories & Ladders

Lippert bed frames and lifts are engineered for comfort and adaptability, ensuring that your vehicle is truly a home away from home. We offer tilt and lift options, electric, convertible, extendable, foldable and much more.

## TV Brackets

We offer a wide selection of brackets and mounts to provide the perfect solution for each RV. Our TV mounts are available in a range of sizes, material options and configurations, including powered models, to ensure a custom fit for any interior.

## Table Legs

Whether it's enjoying a meal together, playing a game or mapping out the next destination, the table is the centerpiece of your RV. Lippert table legs are highly versatile and available in wide array of configurations to provide an integrated fit.

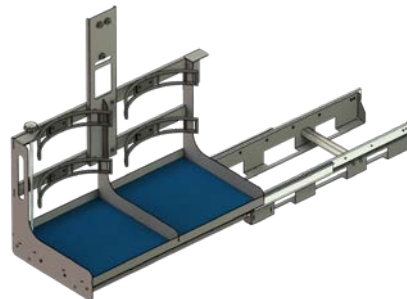

## Water Tanks

Lippert water tanks are available in a wide variety of shapes and sizes to provide an exact fit for your customer's campervan or caravan. They're constructed from high-quality plastic and easily integrate with the existing structure of the vehicle.

## Power On Board

A steady, on-board power supply is an essential part of mobile travel. Charging systems from Schaudt by Lippert enable batteries to be perfectly charged and on-board electrical devices to be supplied with power in all situations.

## Accessories

Lippert offers a number of specialty accessories to maximize functionality on any caravan or campervan and truly turn it into a customized living space. Check out our propane and gas tank holders, furniture fittings and more.
