

PIUMA

FULLY INTEGRATED | POLYMER FRAMED WINDOW SYSTEM

LEVEL UP TO ALL-IN FEATHERWEIGHT

The Piuma is a fully integrated polymer framed window system. It is recognizable by its extremely flush and minimalistic design. The Piuma has a built-in blind system, interior finish and integrated mounting clamps.

The Piuma is the most advanced window system on the market. The pre-assembled mounting system makes the Piuma easily installed in approximately three minutes. Enjoy your view with this progressive featherweight!

Whenever, wherever, we make your experience better.

Designed for straight side walls and available for rear RV windows

Double pane, cast acrylic window with a flat unformed inner sheet & thermoformed outer sheet

Opens in any position due to the tubular or automatic stays
